Tips To Avoid Getting An Expiation Notice

◆ It is your responsibility to park legally.

◆ **DO NOT** leave your vehicle parked without a permit or ticket clearly displayed as it is very likely an expiation notice will be issued.

◆ Ensure that you carry adequate change for the ticket machines and deposit a sufficient amount of money, to allow for activities running over time.

◆ Please note that 2P & 4P ticket machines and day ticket vending machines **DO NOT TAKE notes or 5c pieces and do not provide change.**

◆ Observe time limits in short-term controlled parking areas and in loading zones.

◆ Read signage to avoid parking in the wrong bay or car park.

◆ Observe one-way signs and all road markings in car parks.

◆ **DO NOT** park in No Standing or No Parking areas, on verges or parking bays for which you don’t have a valid permit.

◆ Parking areas are marked on the [University Map](#).
