For employers - Services offered by the Flinders Careers and Employer Liaison Centre
The Careers and Employer Liaison Centre at Flinders University provides a wide variety of employer services, programs and activities to assist you to raise your profile on campus, link with our students and graduates, and find the right employees for your full-time, part-time, vacation, internship or contract positions.

Flinders University

• Our students and graduates are encouraged to engage positively with people and ideas beyond the limits of their geographical, disciplinary, social, cultural and other boundaries, and to cross the border between the world of study and the world of work. For more information about the qualities that our graduates possess visit: flinders.edu.au/graduate-qualities

• We are putting students and graduates in touch with potential employers – every student has the opportunity to participate in degree-related experiences and our Careers Service listed over 10,000 vacancies last year.

• Flinders attained a five star rating for our staff-student ratios in the 2012 Good Universities Guide. We also achieved high ratings for good teaching, graduate starting salary, graduate success in getting a job and positive graduate outcomes.

• Flinders University has an international reputation for our teaching, student support programs/services and research. We are committed to assisting students to succeed in their studies and move into their chosen careers.

• Flinders ranked 36 in the QS Top World Universities under 50 (2012). We are ranked as one of the world’s top 400 universities as determined by the Shanghai Jiao Academic Ranking of the World Universities (2012), QS World University Rankings (2012) and the Time HE World University Rankings (2011).

• In any year, around one-third of our students undertake work experience or practicum placements as part of their study program.

Our services include:

• careers fairs and events
• direct emails to current students and recent graduates through our GRADJOBS and Enrolled Student Employment email lists
• promotion of graduate and undergraduate vacancies
• direct mail to students
• hosted campus visits/presentations
• promotion of vacation work programs
• on-campus interviews
• collection and forwarding of applications
• careers information displays
• Graduate Skill Development Program (participate in special programs that help students develop career workplace skills)
• WorkReady Internship Program (host students on nonpaid project-based part-time work placements)
• A professional mentoring program (share insights and experiences with students in our workplace mentoring program)

Our diverse range of careers services and programs are dedicated to developing the workplace skills and knowledge of our students and graduates – your future employees.

Developing our students and graduates

In 2012, our Enrolled Student Employment listing advertised over 900 vacancies offered by a wide variety of employers. These included discipline-related internships, vacation work, vacation scholarships, cadetships, contracts, cooperatives, casual and part-time employment.

Last year, more than 200 organisations participated in our Careers Fairs and over 60 took part in our Online Public Sector Recruitment Guide.

More than 10,000 enrolled student and graduate employment opportunities were advertised directly to our students and recent graduates in 2012.

Our WorkReady Internship Program provided students with more than 400 discipline-related work placement opportunities in a wide variety of companies, including law and accounting firms, environmental agencies, government departments, councils and community-based organisations.

More than 1,000 students participated in our Graduate Skill Development Programs designed to assist in the development of workplace skills, abilities and knowledge sought by graduate employers.

Equity groups

For access to equity groups, contact the Careers and Employer Liaison Centre. We work closely with Disability Advisors and Yunggorendi First Nations Centre for Higher Education and Research to promote vacancies to graduates.
