The Careers and Employer Liaison Centre at Flinders University provides a wide variety of employer services, programs and activities to assist you to raise your profile on campus, link with our students and graduates, and find the right employees for your full-time, part-time, vacation, internship or contract positions.

**Flinders University**

- Flinders has a strong reputation both locally and internationally. We are ranked as one of the world’s top 400 universities (Shanghai Jiao Academic Ranking of World Universities 2013). We are also among the top 50 universities that are 50 years or younger (QS World Rankings Top 50 Under 50 2013), which highlights the significant achievements Flinders has accomplished in research, innovation and teaching in such a short time.

- Our students and graduates are encouraged to engage positively with people and ideas beyond the limits of their geographical, disciplinary, social, cultural and other boundaries, and to cross the border between the world of study and the world of work. For more information about the qualities that our graduates possess visit: [flinders.edu.au/graduate-qualities](http://flinders.edu.au/graduate-qualities)

- We are putting students and graduates in touch with potential employers – every student has the opportunity to participate in degree-related experiences and our Careers and Employer Liaison Centre listed over 10,000 vacancies last year.

- Flinders University has an international reputation for our teaching, student support programs/services and research. We are committed to assisting students to succeed in their studies and move into their chosen careers.

- Flinders staff continue to win national recognition for the quality of their teaching.

- Many Flinders courses offer a real experience in Australian workplaces and a number of courses include international work placement opportunities.

**Our services include:**

- careers fairs and events
- promotion of graduate and undergraduate employment opportunities including graduate and vacation work programs
- direct emails to current students and recent graduates through our GRADJOBS and Enrolled Student Employment email lists
- direct mail to students
- hosted campus visits/presentations
- collection and forwarding of applications
- careers information displays
- Career Ready Forums – take part in industry/graduate panels and networking sessions
- Graduate Skill Development Initiatives - participate in special programs that help students develop career workplace skills
- WorkReady Internship Program - host students on non-paid, project-based and discipline related part-time work experience placements
- Professional mentoring programs - share insights and experiences with students in our workplace mentoring program

Our diverse range of careers services and programs are dedicated to developing the workplace skills and knowledge of our students and graduates – your future employees.

**Approximately 2,700 potential employees**

- Law: 100+
- Medicine, Medical Science and Biotechnology: 150+
- Nursing: 350+
- Science: 150+
- Social Work: 50+
- Tourism: 50+
Developing our students and graduates

More than 10,000 enrolled student and graduate vacancies were advertised directly to our students and recent graduates in 2013. These included discipline-related graduate programs, graduate vacancies, internships, vacation work, vacation scholarships, cadetships, contracts, co-operatives, casual and part-time employment opportunities.

Last year, in excess of 200 organisations participated in our Careers Fairs and over 30 took part in our Online Public Sector Recruitment Guide.

Our WorkReady Internship Program provided students with more than 400 discipline-related work placement and volunteer opportunities in a wide variety of organisations, including law and accounting firms, environmental agencies, government departments, councils and community-based not for profit organisations.

Over 1,000 students participated in our Graduate Skill Development Initiatives designed to assist in the development and enhancement of workplace skills, abilities and knowledge sought by graduate employers.

Equity groups

For access to equity groups, contact the Careers and Employer Liaison Centre. We work closely with Disability Advisors and Yunggorendi First Nations Centre for Higher Education and Research to promote vacancies to graduates.

Recruitment and Careers Fairs

We hold six discipline specific on-campus careers fairs each year, with the aim of bringing students and potential employers together on campus.
