2. What do you know about training at the Flinders Drama Centre?

The Audition
Auditions for admission to the Drama Centre will be held in the Drama Centre Building, Humanities Road (adjacent car park 5). The Drama Department will telephone applicants on Monday 14 November or Tuesday 15 November 2011 to arrange audition times.
If you have not received your audition time by Thursday 17 November 2011, please call the School of Humanities on (08) 8201 2578 during business hours.
All applicants are required to:
1. Attend a physical and vocal 'warm up', each of approximately 45 minutes' duration, with all other auditionees. All applicants should wear simple, loose-fitting clothing in which they can move vigorously and freely. Neither skirts nor tight jeans are suitable.
2. Give an individual audition consisting of the presentation of two contrasting pieces of play text. For the acting pieces each applicant should select contrasting sections from two plays so that they can demonstrate a wide range of skills, interests and abilities for the audition panel. It is recommended that applicants present a comic and a dramatic piece.

Members of the panel should not be expected to read other characters from the scene. Each piece should be no longer than three minutes' duration. Please note that auditionees in the first instance, will be asked to present only one acting piece.

3. If auditionees are successful at the first audition day, they will be asked to the call back on the Thursday after their audition to re-present one of their pieces and to sing a song. For the singing audition, please ensure that you bring music for the accompanist. The song must be no longer than three minutes' duration, can be in any style, and sheet music must be provided by the auditionee.

Those intending to pursue careers as Theatre Directors are still required to attend a full performance audition. Successful applicants will be offered if:
- they meet the minimum entry requirements for University admission.
If applicants do not meet these minimum entry requirements they are not eligible to the Drama Centre. Contact the Admissions/Prospective Students Office for advice if required on 8201 3074 or email: admissions@flinders.edu.au
- they are not at physical or vocal risk – the Drama Centre may elect to seek the opinion of Flinders University medical service.

Unsuccessful Applicants
Unsuccessful applicants may apply again twelve months after their first application.
Discussion of the reasons for acceptance or non-acceptance in to the Bachelor of Creative Arts (Drama) will not be entered into.
