The Lutheran Strand–
School of Education (Initial Teacher Education Programs)

The School of Education and Australian Lutheran College (ALC) offer a specialist Lutheran Strand for students who intend to teach in Lutheran or other church-related schools.

All students wishing to enrol in the strand must contact the Lutheran Coordinator, Ruth Zimmermann in the first instance. All students must enrol in units and pay for their fees separately at the Australian Lutheran College (ALC).

The pattern of study balances the requirements for registration as a teacher in SA schools generally with those specifically designed for preparing to teach in Lutheran schools. Lutheran Strand students are required to complete their final school placement in a Lutheran school, supervised by ALC staff.

Students undertaking the Lutheran Strand enrol in the following topics offered through the ALC:

For BEd double degree students (undergraduate):

- Exploring the Bible
- The Christian Faith
- Principles and Context of Lutheran Schooling
- The Practice of Lutheran Education

For Master of Teaching students (postgraduate):

- Bible Then and Now
- Christian Faith in Modern Context
- Lutheran Perspectives on Schooling
- Teaching Christian Studies in the Lutheran School
