The Lutheran Strand
Through Flinders University
Initial Teacher Education Programs

Flinders Education and Australian Lutheran College (ALC) offer a specialist Lutheran Strand for students who intend to teach in Lutheran or other church-related schools.

All students wishing to enroll in the strand must contact the School of Educational Theology in the first instance. All students must enroll in topics and pay for their fees separately at the Australian Lutheran College (ALC).

The pattern of study balances the requirements for registration as a teacher in SA schools generally with those specifically designed for preparing to teach in Lutheran schools. Lutheran Strand students do their final major teaching practice in a Lutheran school, supervised by ALC staff.

Students undertaking the Lutheran Strand enroll in the following topics offered through the ALC:

For BEd double degree students (undergraduate):

Exploring the Bible
The Christian Faith
Principles and Context of Lutheran Schooling
The Practice of Lutheran Education

For Master of Teaching students (postgraduate):

Introduction to Lutheran education
The Christ Centred School
Teaching in a Lutheran School
