Teach in Nepal this November

Education students have the opportunity to complete a four week teaching placement overseas that gives credit towards their degree.

You will work as volunteers teaching English, sports, early childhood and special education to pre-school and primary-aged children.

Based at the foothills of the Himalayas, you’ll gain invaluable personal and professional experience and immerse yourself in the culture, language and community of Nepal.

Fund your travel via the OS-Help loan.

Placement Dates
14 November - 12 December 2015

Inclusions

• Accommodation
• Airport transfers
• Most meals during placement
• Antipodeans Training Workshop
• In-country meet & greet and orientation
• Sustainable community project
• 24 hour support from our In-Country Partner
• 24 hour support from Antipodeans Abroad
