18 Should you wish to provide details of any initiatives that you feel are particularly outstanding, or that have resulted in improved gender equality outcomes in your workplace, please enter this information below. (Please note that any information you provide here will appear in your public report)

19 You may provide additional details on any information provided in the report below. The University has noted the WGEA definition of casual staff and the requirement for actual headcount of all casual staff who have worked at the University over the 12 month period to be included in the statistics for the Workplace Profile and Parental Leave questions. The University believes this inclusion of casuals distorts the data. All full-time and part-time staff who meet the eligibility criteria have access to Paid Parental Leave. The University has developed a number of opportunities which are documented in its proposed Enterprise Agreement 2014-2017, enabling casual staff the opportunity of a more secure form of employment such as a fixed term or continuing appointment, subject to a number of operational criteria.
