IMPORTANT NOTE FOR NEW ZEALAND SPECIAL CATEGORY VISA (SCV) HOLDERS

If you hold a SCV you will be able to access HELP loans, providing you:

- first entered Australia at least 10 years ago as a dependent child aged under 18 years;
- have been ordinarily resident in Australia for the previous 10 years (that is, have been physically present in Australia for at least eight out of the past 10 years) and 18 months out of the last two years at the time of application for the loan; and
- are otherwise eligible for the loan.

For more information about this proposed change, visit www.studyassist.gov.au.

If you arrived in Australia using a New Zealand passport, in the absence of another valid Australian visa, you will have automatically received a Special Category Visa (SCV) provided you met certain security, character and health requirements. It is a temporary visa that expires as soon as you leave Australia, but it remains in place for as long as you remain in Australia. Specific enquiries about the Special Category Visa, and other visas, should be directed to the Department of Immigration and Border Protection (www.border.gov.au).

1.1 What is OS-HELP?
OS-HELP is a loan scheme that assists eligible students studying in a **Commonwealth supported place (CSP)** at an **approved institution (institution)** to undertake a portion of their studies overseas. These loans help students with a range of expenses, such as airfares and accommodation. Eligible students may also receive a supplementary amount to undertake language study in preparation for overseas study in Asia.

1.2 Am I eligible for OS-HELP?
To be eligible for OS-HELP assistance for overseas study, you must be enrolled in a **CSP** at an institution (refer to Appendix A of the **CSP and HELP Handbook for 2016**) and:

- be an Australian citizen OR
- a New Zealand Special Category Visa holder who meets the long-term residency requirements (refer to note on page 4) OR
- a permanent humanitarian visa holder (check [www.border.gov.au](http://www.border.gov.au) for the list of humanitarian visa subclasses),
- be enrolled in a course of study as a **Commonwealth supported student** (i.e. studying in a CSP),
  - have already completed, as a Commonwealth supported student, units to the value of at least one **EFTSL** (usually one year of full-time study) in Australia that count towards the course you are enrolled in,
• be undertaking full-time study overseas,
  − have your overseas study count towards the course requirements for the Australian course you are enrolled in, and
  − on return from overseas study, you must have units to the value of at least 0.125 EFTSL (usually one unit of study) to complete in Australia for the course you are enrolled in,
• meet the TFN requirements by giving your institution your TFN (or a completed Certificate of application for a TFN form),
• have been selected by your institution to receive an OS-HELP loan for a six-month period (contact your institution regarding the application process),
• have lodged a completed OS-HELP debt confirmation form with your institution,
• have not received more than one previous OS-HELP loan,
• will not receive a second OS-HELP loan for the same six-month period, and
• have not completed your overseas study before applying for the OS-HELP loan.

To be eligible for a supplementary amount for Asian language study in relation to a six-month period you must:
• have been selected for OS-HELP assistance for overseas study in Asia for that six-month period,
• be undertaking language study in preparation for undertaking that overseas study,
• have indicated on your OS-HELP debt confirmation form that you would like to receive a supplementary amount for Asian language study,
• have been selected by your institution to receive a supplementary amount for Asian language study, and
• have not yet completed the Asian language study before applying for the supplementary amount.
1.3 How much can I borrow?

There is a limit of two OS-HELP loans over a student’s lifetime. There is also a limit of one OS-HELP loan per six-month period. Students undertaking overseas study over two consecutive six-month periods may be eligible to access an OS-HELP loan for each of those six-month periods (i.e. for overseas study longer than six-months).

The actual amount you can borrow will be determined by your institution, but it must be within the limits set by the OS-HELP Guidelines and the Higher Education Support Act 2003 (available at www.comlaw.gov.au). The amount of OS-HELP assistance you are entitled to for a six-month period is the sum of the amount determined by your institution for the overseas study, plus any supplementary amount for Asian language study determined by your institution.

In 2016, the maximum OS-HELP loan amount for overseas study for a six-month period is $7,764 for study undertaken in Asia, or $6,470 for study undertaken elsewhere.

The maximum supplementary amount for Asian preparatory language study for a six-month period is $1,035.

These amounts are indexed on 1 January each year.

1.4 Will I be charged interest?

Your debt will be indexed. HELP debts are indexed annually in accordance with the Higher Education Support Act 2003. The Act provides for indexation, which is currently based on changes in the Consumer Price Index. Indexation rates are published on the ATO website, visit www.ato.gov.au/getloaninfo.

1.5 Is there a loan or application fee?

No. There is no loan fee or application fee for using OS-HELP.
2. APPL YING FOR AN OS-HELP LOAN

2.1 How do I apply for OS-HELP?

You must apply to your institution for an OS-HELP loan. As each institution runs its own application and selection process, you should contact your institution if you have any questions about this process.

To apply for an OS-HELP loan, you must submit a valid OS-HELP debt confirmation form to your institution. Many institutions will allow you to submit a specific electronic version of the form online. Check with the student administration/enrolments office at your institution if you are unsure about whether to submit a paper or electronic form.

If you want to use an OS-HELP loan to pay for your overseas study, you must submit your valid TFN, even if you do not have a job. This is because repayments on your HELP debt are made through the Australian taxation system. If you do not provide your TFN on the form or you provide an incorrect one, your form will not be valid and you will not be able to use an OS-HELP loan.

If you do not have a TFN, you will need to apply to the ATO for one. When you do so, the ATO will, on request, supply you with a Certificate of application for a TFN. Even before you receive your TFN from the ATO, you can attach your certificate to your OS-HELP debt confirmation form. You must advise your institution of your TFN within 21 days of receiving it.

You must keep your TFN secure. Do not provide your TFN if you are only enquiring about a course. Your TFN should only be provided on the actual OS-HELP debt confirmation form (either paper or electronic) when requesting the loan to pay for your overseas study expenses.
2.2 How is an OS-HELP loan paid?

If you are selected for an OS-HELP loan, your institution will pay the loan amount directly to you. You will have a HELP debt immediately following this payment. Your institution will notify you in writing that you have been selected for the OS-HELP loan, the loan amount, and the conditions of receiving an OS-HELP loan.
3. KEEPING TRACK OF YOUR OS-HELP LOAN

3.1 Your Commonwealth Higher Education Student Support Number (CHESSN) and myUniAssist

You will be allocated a CHESSN when you first apply for admission to your institution or Tertiary Admissions Centre. The CHESSN is a unique identification number that remains with you during and after your studies. It helps you, your institution, and the Australian Government keep up to date with information about the Commonwealth assistance for tertiary study that you have used.

You can use your CHESSN (and other personal identifying details) to access myUniAssist at www.studyassist.gov.au. myUniAssist provides information on how much Commonwealth assistance you have received (but it will not display information related to study undertaken before 2005). In myUniAssist, you can refer to the OS-HELP assistance tab for information on your OS-HELP usage, and to the Commonwealth supported units tab for information related to your HECS-HELP usage.

myUniAssist is updated with details about your HELP usage as reported by your institution four times a year. Given the time delay in reporting data, you may need to add any units you have recently enrolled in/are currently enrolled in to the information shown on myUniAssist to determine your entitlements.

myUniAssist will not provide information about the current amount of your HELP debt as repayments are made to the ATO and myUniAssist does not record this information.
3.2 Your HELP account

You can view your loan account and other information, such as your payment reference number (PRN) and voluntary repayment options by:

- Phoning the ATO at any time during the year. Be sure to have your TFN handy when you call. The ATO will ask you for it, for security purposes before they disclose any personal information to you.

3.3 Can I cancel my OS-HELP loan?

Once you have been paid an OS-HELP loan, it cannot be cancelled.

You will have to repay your HELP debt through the Australian taxation system, even if you fail or do not complete your studies (either the Australian or overseas portion of your studies).
4. REPAYING YOUR HELP DEBT

More information about HELP repayments, including how the ATO calculates your compulsory repayment, is available from the CSP and HELP Handbook for 2016 at www.studyassist.gov.au.

4.1 When do I have to start paying back my loan?

Your OS-HELP debt becomes part of your accumulated HELP debt. The minimum repayment threshold for compulsory repayment is adjusted each year. In the 2015–16 income year, you will be required to make a compulsory repayment if your income is $54,126 or above. Repayments made through the Australian taxation system are called compulsory repayments and continue until you have repaid your whole debt.

**NOTE:** The Australian Government has implemented the same repayment obligations for Australians living overseas as for those living in Australia. From 1 January 2016, people with a HELP debt who move overseas for more than 6 months in a 12 month period will be required to notify the Australian Taxation Office. From 1 July 2017, anyone who has a HELP debt, and earns above the minimum repayment threshold, will be required to repay their debt regardless of where they live. Visit www.studyassist.gov.au for more information.

4.2 How much will my repayments be?

The amount you repay each year is calculated as a percentage of your repayment income. The repayment percentage increases as your income increases, but is capped at 8 per cent of your income. The ATO will calculate your compulsory repayment for the year and include it on your income tax notice of assessment.

4.3 Can I make a voluntary repayment?

There are several ways you can make a voluntary repayment, including via BPAY and credit card. For more information on making a payment, go to www.ato.gov.au/howtopay.

Currently, voluntary repayments of $500 or more receive a 5 per cent bonus. This means your account will be credited with an additional 5 per cent of the value of your repayment, not 5 per cent of your outstanding debt. For example, if you make a voluntary repayment of $500, the bonus increases the value of your repayment so your account will be credited with $525.

4.4 Are repayments tax deductible?

Compulsory repayments are not tax deductible. Voluntary repayments made by you or someone other than your employer are not tax deductible.

Your employer may be able to claim a tax deduction for voluntary repayments it makes on your behalf, but it may also be liable for fringe benefits tax on the repayments. For more information, contact the ATO.
