This booklet is a summary of the key points a person accessing the SA-HELP loan scheme needs to know.

As you read through this booklet, you will notice that each page has key words highlighted—refer to the glossary for an explanation of what these words mean.

If, after reading this booklet, you require additional information about the student services and amenities fee or SA-HELP, please visit the Study Assist website at www.studyassist.gov.au.

If you need information about loans for students enrolled in Commonwealth supported places (CSPs) or fee paying places, please see the HECS-HELP and Commonwealth Supported Places Information for 2016 booklet or the FEE-HELP information for 2016 booklet. You can also refer to the CSP and HELP Handbook for 2016. The handbook and all the HELP student information booklets are available at: www.studyassist.gov.au.
IMPORTANT NOTE FOR NEW ZEALAND SPECIAL CATEGORY VISA (SCV) HOLDERS

If you hold a SCV you will be able to access HELP loans, providing you:

• first entered Australia at least 10 years ago as a dependent child aged under 18 years;
• have been ordinarily resident in Australia for the previous 10 years (that is, have been physically present in Australia for at least eight out of the past 10 years) and 18 months out of the last two years at the time of application for the loan; and
• are otherwise eligible for the loan.

For more information about this proposed change, visit [www.studyassist.gov.au](http://www.studyassist.gov.au).

If you arrived in Australia using a New Zealand passport, in the absence of another valid Australian visa, you will have automatically received a Special Category Visa (SCV) provided you met certain security, character and health requirements. It is a temporary visa that expires as soon as you leave Australia, but it remains in place for as long as you remain in Australia. Specific enquiries about the Special Category Visa, and other visas, should be directed to the Department of Immigration and Border Protection ([www.border.gov.au](http://www.border.gov.au)).

1. STUDENT SERVICES AND AMENITIES FEE

1.1 What is the student services and amenities fee?

The student services and amenities fee is a fee that approved higher education institutions (institutions) can charge their students for specific student services and amenities of a non-academic nature.

1.2 What can institutions spend the fee on?

Institutions can only spend the fee on permitted services and amenities such as sporting and recreational activities, employment and career advice, child care, financial advice and food services.

They cannot spend the fee to support:

• a political party, or
• the election of a person to a Commonwealth, state or territory, or local government body.

In addition, institutions must not require you to become a member of a student organisation.

The Guidelines made under the Higher Education Support Act 2003 have an important requirement for institutions to consult students and student groups about the student services and amenities fee and its uses.

1.3 How much is the fee?

The maximum student services and amenities fee that can be charged to a full-time student in 2016 is $290. However, institutions can choose to charge different groups, like undergraduate and postgraduate students, different fee amounts.
If you are a student undertaking less than 75 per cent of the normal full-time study load, you cannot be charged more than 75 per cent of the amount your institution is charging to its full-time students.

If your institution has multiple fees and you are subject to more than one fee, you cannot be charged more than $290 for the calendar year at that particular institution. You should contact your institution directly to find out which fee(s) will apply to you.

Institutions determine the level of the fee, up to the maximum, that they will charge.

1.4 When will I have to pay the fee?
You should pay the fee or submit your Request for SA-HELP assistance form by the date advised by your institution. If you do not organise payment of the fee by your institution’s deadline, your enrolment may be affected.

1.5 What if I enrol at multiple institutions?
If you are enrolled at multiple institutions, or you have transferred your study to another institution, you may be required to pay another fee. The Guidelines made under the Higher Education Support Act 2003 do not prevent institutions from charging each student enrolled with them the student services and amenities fee, regardless of whether that particular student has already incurred a fee at a different institution for the same study period.
2. THE SA-HELP SCHEME

2.1 What is SA-HELP?

SA-HELP is a loan scheme that assists eligible higher education students to pay their student services and amenities fee. Eligible students can choose to use SA-HELP to defer all or part of their fee for the relevant year/study period.

2.2 Am I eligible for SA-HELP?

To be eligible for SA-HELP, you must be enrolled in a higher education course of study with an institution and be either:

- an Australian citizen or a New Zealand Special Category Visa holder who meets the long-term residency requirements (refer to note on page 4)

- OR

- a permanent humanitarian visa holder who is resident in Australia for the duration of your unit.

Need to check your visa subclass?

Your provider will need proof of your visa status to verify eligibility. With your permission and your passport details, providers registered with the Visa Entitlement Verification Online (VEVO) can confirm your visa status.

Alternatively, you send your details directly to them, using VEVO’s Send Email function. VEVO is a free, online service that allows visa holders and registered Australian organisations, such as providers, to check the details and entitlements of a visa.

To access the VEVO service, please visit www.border.gov.au/vevo.
If you are not eligible for SA-HELP, you will need to confirm upfront payment dates and arrangements with your institution directly. If you cannot afford to pay the entire fee upfront, you should contact your institution as some may offer their own payment options or plans.

2.3 How much can I borrow?
There is no financial limit to the amount of SA-HELP an eligible student may access—it is the student services and amenities fee which is capped by a maximum amount that institutions can charge to students.

Eligible students may access a SA-HELP loan for all or part of the student services and amenities fee being charged to them.

2.4 Will I be charged interest?
Your debt will be indexed. HELP debts are indexed annually in accordance with the Higher Education Support Act 2003. The Act provides for indexation, which is currently based on changes in the Consumer Price Index. Indexation rates are published on the ATO website, visit www.ato.gov.au/getloaninfo.

2.5 Is there a loan application fee?
No. There is no loan or application fee for accessing SA-HELP.

2.6 If I withdraw after the date on which the fee is payable, will I still have a SA-HELP debt?
Yes. Your institution is not able to remove your SA-HELP debt once it has been incurred.

Contact your institution directly for more information about whether it has a refund policy in place.
2.7 What if I am undertaking cross-institutional study?

If you are undertaking cross-institutional study, you may be charged the student services and amenities fee by both institutions. As SA-HELP is linked to your course of study, you can only access SA-HELP at the institution where you are enrolled in your actual course of study (i.e. your home institution).
3. APPLYING FOR A SA-HELP LOAN

3.1 How do I apply for SA-HELP?

To apply for SA-HELP, you will need to submit a valid Request for SA-HELP assistance form (the form) to your institution by the date payable, as advised by your institution. Many institutions will allow you to submit a specific electronic version of the form online. Check with the student administration/enrolments office at your institution if you are unsure about whether to submit a paper or electronic form.

If you want to use a SA-HELP loan to pay your student services and amenities fee, you must submit your valid TFN, even if you do not have a job. This is because repayments on your HELP debt are made through the Australian taxation system. If you do not provide your TFN or you provide an incorrect one, your form will not be valid and you will not be able to use a SA-HELP loan for that year/study period (depending upon how your institution charges the fee).

If you do not have a TFN, you will need to apply to the ATO for one. When you do so, the ATO will, on request, supply you with a Certificate of application for a TFN. Even before you receive your TFN from the ATO, you can attach your certificate to your form. You must advise your institution of your TFN within 21 days of receiving it.

You must keep your TFN secure. Do not provide your TFN if you are only enquiring about a course. Your TFN should only be provided on the actual form (either paper or electronic), in order to pay your specific student services and amenities fee.
3.2 Do I need to re-apply for SA-HELP each year?

Access to SA-HELP is based on a course of study. You will only need to apply once, per course of study, at each institution that you are enrolled at (i.e. if you are enrolled in multiple courses of study). If you change your course of study or transfer to a different institution, you will need to submit a new form.

3.3 When is the last day to access a SA-HELP loan?

Each institution sets its own deadline for payment of the fee, so you will need to check with your institution to make sure you do not miss the deadline. If you miss the deadline, you will not be entitled to a SA-HELP loan.
4. KEEPING TRACK OF YOUR SA-HELP LOAN

4.1 Your Commonwealth Assistance Notice (CAN)

Your institution will send you a CAN within 28 days of the date the student services and amenities fee must be paid. Your CAN will tell you the amount of the fee being charged to you and the SA-HELP debt you have incurred for that study period.

Check your CAN carefully to make sure that the services and amenities fee/s being charged to you are the same as those published on your institution’s website.

If you believe that the information on your CAN is incorrect, you have 14 days to submit a written request for correction to your institution (some institutions allow for a longer correction period).

4.2 Your Commonwealth Higher Education Student Support Number (CHESSN) and myUniAssist

You will be allocated a CHESSN when you first apply for admission to your institution or Tertiary Admissions Centre. The CHESSN is a unique identification number that remains with you during and after your studies. It helps you, your institution, and the Australian Government keep up to date with information about the Commonwealth assistance for tertiary study that you have used. Your CHESSN will also be printed on your CAN. You can use your CHESSN and other personal identifying details to access myUniAssist at www.studyassist.gov.au. myUniAssist provides information on how much Commonwealth assistance you have received (but it
will not display information related to study undertaken before 2005).

As SA-HELP does not have a limit on the amount you can use (it is only limited by the maximum student services and amenities fee that can be charged for the year), myUniAssist will not record this information. However, as there are limits on the amount of OS-HELP, FEE-HELP and VET FEE-HELP a person can use, it will record this information.

myUniAssist will not provide information about the current amount of your HELP debt as repayments are made to the ATO and myUniAssist is not updated with this information.

4.3 Your HELP account

You can view your loan account and other information, such as your payment reference number (PRN) and voluntary repayment options by:

- logging onto your secure ATO online account, through MyGov. For more information visit ATO website at www.ato.gov.au/onlineloanbalance
- phoning the ATO at any time during the year. Be sure to have your TFN handy when you call. The ATO will ask you for it, for security purposes before they disclose any personal information to you.

4.4 How can I get my SA-HELP debt removed?

It is not possible to remove your SA-HELP debt once it is incurred. You should contact your institution for more information about whether it has a refund policy in place for the student services and amenities fee.
5. REPAYING YOUR HELP DEBT

More information about HELP repayments, including how the ATO calculates your compulsory repayment is available from the CSP and HELP Handbook for 2016 at www.studyassist.gov.au.

5.1 When do I start paying back the loan?

Your SA-HELP debt becomes part of your accumulated HELP debt. The minimum repayment threshold for compulsory repayment is adjusted each year. In the 2015–16 income year, you will be required to make a compulsory repayment if your income is $54,126 or above. Repayments made through the Australian taxation system are called compulsory repayments and continue until you have repaid your whole debt.

**NOTE**: The Australian Government has implemented the same repayment obligations for Australians living overseas as for those living in Australia. From 1 January 2016, people with a HELP debt who move overseas for more than 6 months in a 12 month period will be required to notify the Australian Taxation Office. From 1 July 2017, anyone who has a HELP debt, and earns above the minimum repayment threshold, will be required to repay their debt regardless of where they live. Visit www.studyassist.gov.au for more information.

5.2 How much will my repayments be?

The amount you repay each year is calculated as a percentage of your repayment income. The repayment percentage increases as your income increases, but is capped at 8 per cent of your income. The ATO will calculate your compulsory repayment for the year and include it on your income tax notice of assessment.

5.3 Can I make a voluntary repayment?

There are several ways you can make a voluntary repayment, including via BPAY and credit card. For more information on making a payment, go to www.ato.gov.au/howtopay.

Currently, voluntary repayments of $500 or more receive a 5 per cent bonus. This means your account will be credited with an additional 5 per cent of the value of your repayment, not 5 per cent of your outstanding debt. For example, if you make a voluntary repayment of $500, the bonus increases the value of your repayment so your account will be credited with $525.

**NOTE:** The HELP voluntary repayment bonus will be removed from 1 January 2017. Visit www.studyassist.gov.au for more information.
5.4 Are repayments tax deductible?

Compulsory repayments are not tax deductible. Voluntary repayments made by you or someone other than your employer are not tax deductible.

Your employer may be able to claim a tax deduction for voluntary repayments it makes on your behalf, but it may also be liable for fringe benefits tax on the repayments. For more information, contact the ATO.
