Complaints and Appeals Process

Appeal against outcome of review of student progress

This flow chart is designed to give students an overview of University procedures. Students should refer to the relevant policies and procedures (http://www.flinders.edu.au/current-students/policies-procs/) for more detailed information.

*The University recognises a student’s right to refer a grievance to a relevant external agency at any time. Relevant external agencies include the South Australian Ombudsman or the Office of the Training Advocate.
