Avoid slips and trips...

- Make sure walkways and stairs are well lit.
- Look before you walk - make sure your pathway is clear.
- Wear slip-resistant, well-fitted footwear.
- Clean up debris after each job and report accidental spills immediately.
- Secure wires, cords and cables away from walkways.
- Use safety cages and fall restraint devices whenever you are more than 6 feet up (1.8m).
- Walk, don't run!
