Step 1. Our goals
• What resources do Foundations teachers need?
• What’s the best way to share them?

Step 2. We asked our community
• 2008 colloquium session
• Online survey

Step 3. Online database created
• Template for submissions
• Resources are reviewed

Step 4. Recommendations to ensure database sustainability
• Database moderator appointed
• Share resources at yearly colloquium
• Embed peer review process

Step 5. 2009 Colloquium
• Decide upon recommendations
• Community invited to share resources using the template provided
