

FLINDERS UNIVERSITY COUNCIL

At the commencement of a Council member's appointment, he or she will be required to complete a Disclosure of Interests Form and lodge it with the Registrar, who will circulate a copy to all Council members. In the event that a member's interests change (including a material increase in the nature or extent of an interest), the member will ensure that a new form is lodged with the Registrar for circulation to Council members, and as appropriate, declare the matter at the next Council meeting.

DISCLOSURE OF INTERESTS FORM

I confirm that I have read the Council Handbook, Section 2, *Responsibilities Liabilities and Rights of Council Members*, and that I understand my rights and responsibilities, and my obligation to declare any interests that may affect the University or be relevant to its operation, or to my ability to perform my role as a member of Council.

1. Disclosure of interests (please indicate the nature and extent of each interest):

2. Disclosure of any criminal, financial or taxation offence, and undischarged bankruptcy:

Note: A copy of Council members' Disclosure of Interests Forms will be held on a University file and will be made available on request through the Registrar for Council members to peruse. The Chancellor and the Registrar will be entitled to inform Council about an interest that has been declared by a Council member where this may affect a decision regarding the operation of Council or the University.
