Dear participants in the Vice-Chancellor’s Management and Leadership Program,

Please would you note the following information.

1. **Recognising, Understanding and Working With Risk** on 20 March 2012 – copies of the program and presentations are now available in the Recognising, Understanding and Working With Risk section of the MALP web page.

   This section also includes a link to the generic “Invitation to Provide Feedback” document, which you are invited to use at any time.

   During Lisa O’Neill’s presentation, mention was made of the imminent re-launch of the University’s Cultural Diversity and Inclusive Practice Toolkit. This has now occurred. The Toolkit may be accessed at CDIP Toolkit.

2. The 2-hour session scheduled for Thursday 12 April 2012, Managing Human Resources, has been postponed to a later date (TBA) due to feedback about the proximity to Easter and the impact this has on the availability of participants and presenters.

3. The next session is therefore **Restoring an Academic Area to Health**, which as previously advised is scheduled to take place on **Wednesday 30 May 2012**, from lunch to approx 4.30pm.

   More information about this will be circulated closer to the event.

4. **Managing and Influencing Change** on Friday 22 June 2012.

   Responses to my email of 2 March 2012 were strongly in favour of the option of the full-day workshop. At this stage we anticipate that the event will run from approx 9.30 to 4pm at an off-site venue. We will be in contact with more information in due course.

Kind regards

Jane
