To all School Deans, Associate Deans in the School of Medicine and other academic staff members who are participants in the Vice-Chancellor’s Management and Leadership Program,

Next MALP session on Monday 18 July 2011
Just a reminder that the next session in the MALP program is the half-day session, “Having the Difficult Conversations”, which is scheduled for the morning of Monday 18 July 2011. This is the first of a number of sessions concerning Strategies for Leading People.

The session will be held in the “The Village Community Centre” (which is part of Flinders Housing) and facilitated by Liz Bare, who most of you met on Friday 24 June 2011.

I will be in touch with more information shortly.

Feedback forms
If you haven’t already done so, we would really appreciate receiving your feedback form. There are two sections to the form – feedback about the “Business Unit Leadership” program on 23/24 June and priorities for future sessions. A copy of the form is attached.

Kind regards

Jane
