Dear Agent

**Course Full 2010: Bachelor of Nursing (Post-Registration (Conversion))**

There has been a huge amount of interest for all three streams of the Bachelor of Nursing, including the post-registration program commencing July 2010. Due to the restricted numbers of clinical placements available for this course, the program is now full.

For this reason we are unable to accept any more students into this course for 2010.

Places have been held for any students who received an offer and paid the deposit date by the due date.

Applications for the July 2011 intake will open in 2010.

In anticipation of your understanding in this matter. Thank you for your interest in the University.

Kind regards

Greg Wright
Deputy Head, Admissions & Operations
