1. **Purpose**

1.1 The Academic Senate is a Standing Committee of the Flinders University Council and is the peak academic body responsible for academic governance on behalf of the Council.

1.2 The Academic Senate provides oversight and assurance of the University's commitment to continue to provide high quality education and research training and undertake high quality research, including meeting the requirements of legislation and standards regarding matters of academic governance, academic quality and academic risk related to the provision of higher education, including the Higher Education Standards Framework (Threshold Standards) (HESF).

2. **Academic Governance Framework**

The Academic Senate will assure that academic governance at Flinders University aligns with the HESF requirements including that:

2.1 Processes and structures are established and responsibilities are assigned that collectively:

   a. Achieve effective academic oversight of the quality of teaching, learning, research and research training;
   b. Set and monitor institutional benchmarks for academic quality and outcomes;
   c. Establish and maintain academic leadership at an institutional level; and
   d. Provide competent advice to the University Council and management on academic matters, including advice on academic outcomes, policies and practices.

2.2 Academic oversight assures the quality of teaching, learning, research and research training effectively, including by:

   a. Developing, monitoring and reviewing academic policies and their effectiveness;
   b. Confirming that delegations of academic authority are implemented;
   c. Critically scrutinising, approving and accrediting courses of study and their associated qualifications;
   d. Maintaining oversight of academic and research integrity, including monitoring of potential risks;
   e. Monitoring and initiating action to improve performance against institutional benchmarks for academic quality and outcomes;
   f. Critically evaluating the quality and effectiveness of educational innovations or proposals for innovations;
   g. Evaluating the effectiveness of institutional monitoring, review and improvement of academic activities; and
   h. Monitoring and reporting to the University Council on the quality of teaching, learning research and research training.
2.3 Students have opportunities to participate in academic governance.

3. Responsibilities

Within this Academic Governance Framework, the Academic Senate will:

3.1 Approve all policies and policy areas relating to academic governance, standards and operations including those reflected in Schedule A of the Flinders’ Policy Framework;
