Dermatology - Australasian College of Dermatologists (ACD)

The Australasian College of Dermatologists (ACD) is the peak medical college accredited by the Australian Medical Council for the training and professional development of medical practitioners in the specialty of dermatology.

Read more about the ACD [here](#)

Entry requirements

- Australian or New Zealand Medical Graduate, or Australian Medical Council (AMC) Certificate, or General Medical Registration
- Citizenship, permanent residency or holding the appropriate visa
- 24 months prevocational medical education and training.

How to Apply

- Application for selection into the ACD Training Program is advertised in January/ February each year for admission into the program for the following year
- You can apply during PGY 2
- The trainee selection process is overseen by the Selection Committee who delegates assessment and interviews to representatives from each State Faculty and consumer representatives.

Total Training Time

Trainees in the program undertake four years of practical training in accredited clinical settings under the supervision of practicing dermatologists.

Clinical training years 1 to 4 (46 weeks per year) which includes

- 46 weeks per year
- Medical dermatology, including paediatric dermatology
- Histopathology
- Procedural dermatology, including radiotherapy, cosmetic procedures, lasers
- Contact dermatology.
