

## Detailed High Voltage power maintenance schedule - July 2025

(sorted alphabetically by building/area)

Note - for safety reasons, some **buildings will be closed** during works. In all buildings except HMRB, **lifts will not operate**. If you require emergency access assistance, please contact Security on 8201 2880.

**This schedule is subject to change without notice.**

### Central Library

Power will be briefly disrupted early in the morning and late afternoon as high voltage switching occurs – save work regularly if working or studying in the library or consider working or studying from Sturt Library. Building access will be maintained with emergency lights operating during power outages. Lifts will not operate on these days.

#### Saturday 5 July

Time	Activity	Impact
5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch between SA Power Networks (SAPN) and backup generators.
4.30pm	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch between SAPN and backup generators.
5.00pm	Power to lifts restored	Lifts and building operational. Work concludes for the weekend.

#### Saturday 12 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch between SAPN and backup generators.
4.30pm	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch between SAPN and backup generators.
5.00pm	Power to lifts restored	Lifts and building operational. Work concludes for the day.

#### Sunday 13 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch between SAPN and backup generators.
4.30pm	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch between SAPN and backup generators.
5.00pm	Power to lifts restored	Lifts and building operational. Work concludes.

### Education

There will be no access to the building during power outages and ALL DAY on Sunday 6 July. Lifts will not operate on these days.

#### Saturday 5 July

Time	Activity	Impact
5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	30 minute power outage.
6.30am	Power restored	Power restored to SA Power Networks (SAPN).
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and building operational. Work concludes for the day.

### Sunday 6 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	<b>Start of ALL DAY power outage and building closure.</b>
4.45pm	Power restored	Power restored to SAPN. Building reopens.
5.00pm	Power to lifts restored	Lifts and facilities operational. Work concludes for the weekend.

### Saturday 12 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and facilities operational. Work concludes for the day.

### Sunday 13 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and facilities operational. <b>Work concludes.</b>

## Flinders Child Care Centre

Power will be briefly disrupted early in the morning and late in the afternoon as high voltage switching occurs between SA Power Networks (SAPN) and temporary generators. There will be no access to the building during power outages.

### Saturday 12 July

Time	Activity	Impact
5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch from SAPN to backup generators.
4.30pm	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch back to SAPN from backup generators.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts restored and building operational. Work concludes for the day.

### Sunday 13 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch to backup generators.
4.30pm	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch back to SAPN from backup generators.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and facilities operational. <b>Work concludes.</b>

## Flinders Living (all buildings and units)

Power will be briefly disrupted early in the morning and late in the afternoon as high voltage switching occurs between SA Power Networks (SAPN) and temporary generators – save work regularly if studying at these times. Building and unit access will be maintained during power outages. Lifts will not operate on these days.

### Saturday 12 July

Time	Activity	Impact
5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	The building have backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch from SAPN to backup generators.
4.30pm	Power isolated	The building have backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch back to SAPN from backup generators.
5.00pm	Power to lifts restored	Lifts restored and building operational. Work concludes for the day.

### Sunday 13 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	The buildings have backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch to backup generators.
4.30pm	Power isolated	The buildings have backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch back to SAPN from backup generators.
5.00pm	Power to lifts restored	Lifts and facilities operational. <b>Work concludes.</b>

## Flinders Railway Station plaza

Operation of the train and train line will not be affected, only the Station Plaza area.

### Saturday 12 July

Time	Activity	Impact
6.00am	Power isolated	The area has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch from SA Power Networks (SAPN) to backup generators.
4.30pm	Power isolated	The area has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch back from backup generators to SAPN.
5.00pm	Power restored	Area operational. <b>Work concludes.</b>

## Health and Medical Research Building

Power will be briefly disrupted as high voltage switching occurs between SA Power Networks (SAPN) and temporary generators. There will be no access to the building during power outages.

### Saturday 12 July

Time	Activity	Impact
5.00am	Power to lifts isolated	Lifts will have a 30 second to 5 minute power outage, while power is sourced from backup generators.
6.00am	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch from SA Power Networks (SAPN) to backup generators.
4.30pm	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch from backup generators to SAPN.
5.00pm	Power to lifts restored	Lifts restored to SAPN and building operational. <b>Work concludes.</b>

## Health Sciences

There will be no access to the building during power outages. Lifts will not operate on these days.

### Saturday 12 July

Time	Activity	Impact
5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SA Power Networks (SAPN).
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and facilities operational. Work concludes for the day.

### Sunday 13 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and facilities operational. <b>Work concludes.</b>

## Health Science Lecture Theatre Complex

There will be no access to the building during power outages. Lifts will not operate on these days.

### Saturday 12 July

Time	Activity	Impact
5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SA Power Networks (SAPN).
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and facilities operational. Work concludes for the day.

### Sunday 13 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and facilities operational. <b>Work concludes.</b>

## Humanities

There will be no access to the building during power outages. Lifts will not operate on these days.

### Saturday 5 July

Time	Activity	Impact
5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	60 minute power outage.
7.00am	Power restored	Power restored to SA Power Networks (SAPN).
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and building operational. Work concludes for the weekend.

### Saturday 12 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and building operational. Work concludes for the day.

### Sunday 13 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and building operational. <b>Work concludes.</b>

## Law and Commerce

There will be no access to the buildings during power outages. Lifts will not operate on these days.

### Saturday 5 July

Time	Activity	Impact
5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	30 minute power outage.
6.30am	Power restored	Power restored to SA Power Networks (SAPN).
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and building operational. Work concludes for the day.

### Sunday 6 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	30 minute power outage.
6.30am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and facilities operational. Work concludes for the weekend.

### Saturday 12 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and facilities operational. Work concludes for the day.

### Sunday 13 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and facilities operational. <b>Work concludes.</b>

## Maritime Compound (adjacent Flinders Living)

There will be no access to the building during power outages.

### Saturday 12 July

Time	Activity	Impact
6.00am	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch from SAPN to backup generators.
4.30pm	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch back to SAPN from backup generators.
5.00pm	Power to lifts restored	Lifts restored and building operational. Work concludes for the day.

### Sunday 13 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch to backup generators.
4.30pm	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch back to SAPN from backup generators.
5.00pm	Power to lifts restored	Lifts and facilities operational. <b>Work concludes.</b>

## Matthew Flinders Theatre / Drama

Power will be briefly disrupted early in the morning and late afternoon as high voltage switching occurs. There will be no access to the building during power outages.

### Saturday 5 July

Time	Activity	Impact
6.00am	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch between SA Power Networks (SAPN) and backup generators.
4.30pm	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch between SAPN and backup generators.
5.00pm	Power restored	Building operational. Work concludes for the weekend.

### Saturday 12 July

6.00am	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch between SAPN and backup generators.
4.30pm	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch between SAPN and backup generators.
5.00pm	Power restored	Building operational. Work concludes for the day.

### Sunday 13 July

6.00am	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch between SAPN and backup generators.
4.30pm	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch between SAPN and backup generators.
5.00pm	Power restored	Building operational. <b>Work concludes.</b>

## Oasis

There will be no access to the building during power outages. Lifts will not operate on these days.

### Saturday 5 July

Time	Activity	Impact
5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	60 minute power outage.
7.00am	Power restored	Power restored to SA Power Networks (SAPN).
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and building operational. Work concludes for the weekend.

### Saturday 12 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and building operational. Work concludes for the day.

### Sunday 13 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and building operational. <b>Work concludes.</b>

## Pendopo

There will be no access to the building during power outages.

### Saturday 5 July

Time	Activity	Impact
6.00am	Power isolated	60 minute power outage.
7.00am	Power restored	Power restored to SA Power Networks (SAPN).
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN. Work concludes for the weekend.

### Saturday 12 July

6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN. Work concludes for the day.

### Sunday 13 July

6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN. <b>Work concludes.</b>

## Professional Services Building

There will be no access to the building during power outages. Lifts will not operate on these days.

### Saturday 12 July

Time	Activity	Impact
5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SA Power Networks (SAPN).
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and building operational. Work concludes for the day.

### Sunday 13 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and building operational. <b>Work concludes.</b>

## Registry

There will be no access to the building during power outages. Lifts will not operate on these days.

### Saturday 12 July

Time	Activity	Impact
5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SA Power Networks (SAPN).
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and building operational. Work concludes for the day.

### Sunday 13 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and building operational. <b>Work concludes.</b>

## Social Sciences North and Social Sciences South

There will be no access to the building during power outages. Lifts will not operate on these days.

### Saturday 5 July

Time	Activity	Impact
5am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6am	Power isolated	60 minute power outage.
7am	Power restored	Power restored to SA Power Networks (SAPN).
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5pm	Power to lifts restored	Lifts and building operational. Work concludes for the weekend.

### Saturday 12 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and building operational. Work concludes for the day.

### Sunday 13 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and building operational. <b>Work concludes.</b>

## Sports Centre

There will be no access to the building during power outages. Lifts will not operate on these days.

### Saturday 12 July

Time	Activity	Impact
5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SA Power Networks (SAPN).
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and facilities operational. Work concludes for the day.

### Sunday 13 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and facilities operational. <b>Work concludes.</b>

## Sports Pavilion

There will be no access to the building during power outages.

### Saturday 12 July

Time	Activity	Impact
6.00am	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch from SA Power Networks (SAPN) to backup generators.
4.30pm	Power isolated	The building has backup generator power, so will have a 30 second to 5 minute power outage only to allow power switch from backup generators to SAPN.
5.00pm	Power to lifts restored	Building operational. <b>Work concludes.</b>

## Student Centre

There will be no access to the building during power outages. Lifts will not operate on these days.

### Saturday 12 July

Time	Activity	Impact
5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SA Power Networks (SAPN).
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and facilities operational. Work concludes for the day.

### Sunday 13 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and facilities operational. <b>Work concludes.</b>

## Student Hub / Union

Power will be briefly disrupted early in the morning and late afternoon as high voltage switching occurs – save work regularly if working or studying in the Hub / Union buildings. Building access will be maintained with emergency lights operating during power outages. Lifts will not operate on these days.

### Saturday 12 July

Time	Activity	Impact
5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	The building will have a 15 minute power outage only.
6.15am	Power restored	Power restored to SA Power Networks (SAPN).
4.30pm	Power isolated	The building will have a 15 minute power outage only.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts restored and building operational. Work concludes for the day.

### Sunday 13 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	The building will have a 15 minute power outage only.
6.15am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	The building will have a 15 minute power outage only.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and facilities operational. <b>Work concludes.</b>

## Yunkurrinthe Truku

There will be no access to the building during power outages.

### Saturday 12 July

Time	Activity	Impact
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SA Power Networks (SAPN).
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and facilities operational. Work concludes for the day.

### Sunday 13 July

5.00am	Power to lifts isolated	Lifts cease to operate (and remain off ALL DAY).
6.00am	Power isolated	15 minute power outage.
6.15am	Power restored	Power restored to SAPN.
4.30pm	Power isolated	15 minute power outage.
4.45pm	Power restored	Power restored to SAPN.
5.00pm	Power to lifts restored	Lifts and facilities operational. <b>Work concludes.</b>
