Cancelling your accommodation

If you have not been yet offered an academic place at Flinders University or no longer require accommodation you must let us know. The following extract from your Accommodation Agreement outlines the timelines:

Cancellation

If after accepting a residential place, a prospective Resident cancels that place, the prospective Resident is entitled to:

- a full refund of the Advance Fees if cancelled in writing at least fourteen (14) days before the commencement of the Term;
- a 50% refund of the Advance Fees if cancelled in writing less than fourteen (14) days before the commencement of Term.

If after accepting a residential place, a prospective Resident cancels that place after the commencement of Term but before their arrival, the prospective resident is subject to Section 5 of this Agreement.
