

Flinders Rural and Remote Health *Community Partnership Grant 2026* Apply now

Does your community group need some help to fund a great local project?

Our Community Partnership Grant is one way that we are investing in local rural communities.

Up to five grants of up to \$4,000 will be funded to support projects that improve the health and well-being of local rural and regional communities within the local government areas of Flinders University Rural and Remote Health SA located campuses.

Regions include the Riverland, Barossa Valley, Hills Mallee Fleurieu and Greater Green Triangle.
