WELCOME TO FLINDERS UNIVERSITY SPRINGFEST!

PLAZA	LOCATION	TIME	
Main Stage	1	10am - 3pm	Sit back, relax, and let the worries of the world fall away. The Main Stage will showcase an inspiring variety of music and performing artists.
Sunflower Seed Bombs	3	10am - 3pm	Get your hands dirty with Nature Play SA! Children will explore working with clay and soil to create a seasonal seed bomb they can take home to throw in a pot, veggie patch, or garden.
Walking tour with the artist	4	2pm	Join artist, Gail Hocking, for a walking tour of <i>PERIPHERAL DISTURBANCE - wandering between worlds</i> , for The Collections Project. This new body of work reflects on her research into the resilience of Anangu women who navigate change through storytelling and art.
Nature Play SA Pop-Up Shop	2	10am - 3pm	Browse and purchase from Nature Play SA's thoughtfully curated selection of books and quality products that aim to inspire and support your children's time in the outdoors.
Market Stalls	5	10am - 3pm	Spoil yourself at SpringFest! In fact, spoil everyone! You'll find plenty of gift ideas with a range of exciting market stalls.
HUB	LOCATION	TIME	
Creative Zone	6 (L1)	10am - 3pm	Stick, stamp, decorate and create to your heart's content. Make your own treasure box, design your own personalised library bag, or build an amazing creation on our tables of Lego.
Pinky and Peet's Adventure	6 (L2)	Hourly from 10:30am	Come along and join in the adventures of <i>Pinky and Peet The Little Aussie Bush Lizards</i> . Meet the author, hear the story and participate in children's activities including habitat creation, playdough fun and more.
The Sleepy Lizards Show and Share	6 (L1)	11am and 12pm	Ever wondered the best way to catch a lizard? Can a lizard catch a cold? Join our Flinders researchers Dr Jess, Bonnie, Tara, Robbie and some of their scaly friends as they take you into the world of lizard life. The team will share their stories on sleepy lizards and pygmy bluetongues.
Mad Tea Co	7	10am - 3pm	Taste premium herbal teas for free that are grown on campus, in gardens intended to be therapeutic green spaces and learn more how this NFP donates any proceeds made back into funding projects focused on improving mental health in our communities.
In and About the Collection Behind the Scenes Tour	7	11am and 12pm	Tour one of the largest University art collections in Australia, where you receive insight into a unique and valuable educational resource from four major collection areas including contemporary Aboriginal and Torres Strait Islander art; European prints; post-object and documentation art; and Australian political prints and posters. Register at information stand in the hub.
Flinders graduates - check in for a chance to win	7	10am - 3pm	If you are a Flinders graduate attending SpringFest, make sure you take a few minutes to check-in at the alumni stand for your chance to win a children's birthday party at the South Australian Museum for up to 10 children. The first x50 visitors to the alumni stand will receive a double pass to the Australian Geographic Photographer of the Year exhibition.
Liquid Nitrogen Ice-cream	7	11:30am until all gone	Come along to sample some ice-cream and learn why using liquid nitrogen not only speeds up the process, but can result in creamier ice-cream.
Lizard Ecology Room	7 (L1)	10am - 3pm	Families can come and explore the Lizard Ecology room in search of 5 'lizards', considering adaptations for survival, lifestyles and habitats. How many lizards can you find before the time runs out?
Augmented Reality Sandbox	7 (L1)	10am - 3pm	Using augmented reality, this high-tech sandbox allows you to explore how altering surfaces morphology changes water flow across the surface.
Thermal Selfies	7 (L1)	10am - 3pm	Chill out, hot stuff! Our Thermal Selfie station will help you take a selfie based on your body temperature. Thermal sensing technology is used across the globe by biologists, hydrologists, archaeologists and now, <i>selfieologists!</i>
Movies	6	10am - 3pm	Time to relax? Head to our Multimedia room. <i>Happy Feet</i> and <i>Over the Hedge</i> will be screening.
Basket Weaving	6	11am - 2:30pm	This basket weaving workshop includes weavings and teaching from our local Southern Elders Weaving Group. Suitable for 7+ years.
The Collections Project	i	10am - 3pm	<i>PERIPHERAL DISTURBANCE - wandering between worlds</i> . Head to the info stand to collect a location guide of NZ Born, Aldinga Artist, Gail Hocking, works across the art forms of sculpture, installation and new media.
Food	8	10am - 3pm	Hungry? Visit Subway, Kutchi Deli Parwana, Toly's Vietnamese, Urban Paddock and Grind and Press for a variety of food options on the ground floor of the hub. You can also visit the Tavern, located on the first floor, Zambrero, Nutrition Republic, Café Alere and Café Bon Voyage in the plaza or Espresso at Events in Anchor Court.
LAKESIDE	LOCATION	TIME	
Lakeside Cubbies	9	10am - 3pm	Explore the lawns and wild spaces over-looking our picturesque lake as you embark on your own cubby building adventure! Nature Play SA will be on hand with ropes, hessian and tips to get you started!
Nature Masks	10	10am - 3pm	Come get creative with spring leaves. Attach colourful leaves, sticks and feathers to your own personal mask, each mask is its own unique and beautiful design! Can't wait to see your creation!
ANCHOR COURT	LOCATION	TIME	
South Australian Museum Dig Pits	11	10am - 3pm	The South Australian Museum proudly presents two dig pits for the adventurous. The Ediacaran Dig Pit displays models of fossils discovered in the Flinders Ranges, where the fossils are of the first animal life on Earth. The second pit, The Cambrian Dig Pit, depicts fossils from the Cambrian Explosion that was a dramatic burst of evolutionary changes in life on Earth, relating to fossils discovered at Emu Bay Shale, Kangaroo Island.
From Dinosaurs to Diprotodons	11	Hourly from 11am	Have you ever met a thingodonta or seen a fangaroo? What about a titanosaur or a mighty diprotodon? Come on a prehistoric adventure and visit some of Australia's best fossil sites with Dr Danielle Clode, award-winning author of <i>From Dinosaurs to Diprotodons</i> .
Dig-A-Dino Ball Pits	11	10am - 3pm	Dig-A-Dino is a new take on a classic childhood toy, the wooden flat pack dinosaur skeleton puzzles. Giant colourful puzzle pieces are buried within a ball pit, allowing kids to hunt for dinosaur bones and then piece their skeleton together like a palaeontologist, creating an interactive 3D puzzle play for all.
The Bone Detectives	11	11am, 12pm, 1pm and 2pm	Located in South Lecture Theatre (off Anchor court). Ever wondered how palaeontologists can identify an animal just from its bones? The Bone Detectives is a casual, fun and interactive lecture that uses modern Australian animals to give a little perspective on how a palaeontologist would look at prehistoric creatures. Professor Flint will even sing a song or two!
Even Extinct Animals have Dental Records	11	10am - 3pm	What do your teeth say about you? Too much sugar, maybe? The same is true of fossils. We can learn what extinct animals ate, if they'd had disease, and how old they were. Using plaster casts, kids will get to paint a replica Diprotodon, Dinosaur or Megalodon tooth and learn how these fossils can help researchers, museums, and even the general public.
VR Goggles	11	10am - 3pm	Ever wondered what it would be like on a palaeontology dig? No need to close your eyes and imagine, slip on our VR goggles and feel like you're in the field, digging for bones with Flinders' palaeontology staff and students.
Behind the scenes tour - Palaeontologist for a day	11	Every 30 minutes from 11am	Get a behind the scenes glimpse of our scientists at work, the research laboratories, and vast collections of artefacts and specimens from around the world. Meet our internationally acclaimed experts who have uncovered remarkable fossils of all ages. Register for tour at Anchor Court. Suitable for 7+ years.
HUMANITIES COURTYARD	LOCATION	TIME	
Nature Potions and Tinkering	12	10am - 3pm	Natural loose parts, pots, pans and crockery set the stage for a creative open-ended play. Watch your children engage their senses as they experiment with seasonal plants, water, natural play doughs, clay and other earthy mediums in this tactile play experience with Nature Play SA.
Face painter	13	10am - 2:30pm	Head to the Laneway for FREE face painting!
Family yoga	14	Hourly from 10:30am	Grassed area at end of Laneway. Yoga is for everyone, and you're never too young to salute the sun.
