## UNIVERSITY EXPECTATIONS AND VALUES

All staff at Flinders are responsible for understanding their obligations and responsibilities as set out in the University's code of conduct and are expected to:

- demonstrate commitment to the University's values of Integrity, Courage, Innovation and Excellence
- demonstrate consistent alignment with the University's strategic priorities through daily decisions, teamwork and behaviours that reinforce the strategic intent.
- contribute to the efficient and effective functioning of the team or work unit to meet the University's objectives. This includes demonstrating appropriate and professional workplace behaviours, providing assistance to team members, if required, and undertaking other key responsibilities or activities as directed by one's supervisor;
- promote and support an inclusive workplace culture which values diversity and embraces the principles of equal opportunity;
- perform their responsibilities in a manner which reflects and responds to continuous improvement; and
- familiarise themselves and comply with the University's *Work Health and Safety, Injury Management and Equal Opportunity* policies.

*A Nationally Coordinated Criminal History Check which is satisfactory to the University will be required by Flinders University before the successful applicant can commence in this position.*

*Staff working in a health care setting are strongly recommended to be fully vaccinated against COVID-19 in line with the SA Health policy.*

## KEY POSITION RESPONSIBILITIES

This position is predominantly concerned with providing leadership and direction related to teaching and teaching-related duties involving the creation, delivery and continuous quality improvement of university-level education. It includes (but is not limited to): direct teaching informed by approaches that enhance the student experience; educational leadership; curriculum design and review; delivery innovation; advancements in education technologies; and leadership in ensuring internal and external compliance and accreditation of courses. The position is also expected to make a leadership contribution to high-quality university, professional and community service, which may extend from the local level to national or international. The position does not include making a research contribution however, it is expected that the Lecturer will engage in the relevant activities to embed the NEXUS between research, education and practice.

*Teaching:*

- Create, coordinate and conduct inspiring teaching informed by approaches that enhance the student experience, with a focus on Nursing topics, across all levels and modes of the College.
- Contribute to the planning and evaluation of these topics, undertaking the roles of Topic Coordinator and Course Coordinator as required.
- Play a lead role in the review, renewal, development and design of curricula and courses that are attractive to existing and new cohorts of students and that nurture creativity and critical-thinking skills.
- Provide support, academic counselling and professional advice to students concerning their studies, professional development and career opportunities.
- Make effective use of innovations and technologies in teaching practice.
- Provide educational leadership and dissemination of best practice, ensuring awareness and utilisation of contemporary education principles.

**Changing 10 Million Lives.  
Every One Matters.**

**Agenda 2035**

- Engage in coaching, mentoring, supervising student projects; research higher degree supervision as an Adjunct Supervisor.

*University, Professional and Service:*

- Contribute at a significant level in the College's administrative activities such as leadership on committees and working groups and attendance at and/or coordination of College meetings.
- Significant involvement in and/or leading activities relating to internal and external compliance and professional accreditation of courses.
- Maintain professional knowledge relevant to teaching within their discipline through scholarship and professional development.
- Engage in activities within a relevant external professional domain such as professional associations, conferences and workshops, and within a wider community context at local, national or international level.
- Provide leadership in, coordination of, development of and/or leading international activities including student mobility programs, internationalisation of curricula and ensuring the relevance of curricula to international students or that enhance intercultural skills development in students.
- Provide high quality contribution to community service on behalf of the College and University.
- Undertake activities that promote the development of productive partnerships to provide opportunities for students and promote graduate employability.
- Any other responsibilities in line with the level of the position as assigned by the Supervisor and/or the University.

#### KEY POSITION CAPABILITIES

- Completion of a PhD, or EdD, or equivalent qualification in Pharmacology is required.
- Currently registered or eligible for registration with the Nursing and Midwifery Board of Australia (NMBA) or the Pharmacy Board of Australia through the Australian Health Practitioner Regulation Agency (AHPRA).
- Hold and maintain a current membership with a relevant professional association.
- An understanding of pedagogical theory and contemporary educational practice relevant to Pharmacology.
- Significant and sustained excellence in teaching performance at a tertiary level.
- Significant and sustained evidence of development, delivery and evaluation of innovative teaching and learning strategies.
- Demonstrated ability and commitment to reflective improvement in teaching delivery.
- Demonstrated willingness and ability to contribute to scholarship in teaching through participation in teaching and learning strategies and in professional development in higher education teaching.
- Demonstrated strong understanding of the nexus between teaching and learning, research, scholarship and practice.
- Demonstrated excellent oral and written communication skills and interpersonal skills, including the demonstrated ability to establish effective relationships with staff, students and industry nationally and/or internationally.
- Experience in coordinating and/or leading the activities of other staff.
- Demonstrated experience and innovations using e-learning platforms for teaching purposes.

**Changing 10 Million Lives.  
Every One Matters.**

**Agenda 2035**

- Demonstrates a commitment to fostering a positive workplace culture, and role modelling behaviours that support the University's Reconciliation Action Plan (RAP) and commitment to enhancing educational opportunities for Aboriginal and Torres Strait Islander people.
- Evidence of upholding the values and ethos of the University.
- Experience in development of international and short course teaching delivery or collaboration (desirable).
- Advanced knowledge of course accreditation requirements for relevant area (desirable).
