

## Position Description – Lecturer (Diabetes Education)

Updated 19 October 2023

POSITION DETAILS	
College/Portfolio	College of Nursing and Health Sciences
Organisational Unit	Nursing
Supervisor (Title)	Dean, People and Resources (or Delegate)
Classification	Teaching Specialist (Clinical / Practitioner) Level B
Employment Type	Continuing, Full-time or Part-time

POSITION SUMMARY
<p>This Teaching Specialist (Clinical/Practitioner) position, with its primary focus on teaching and teaching-related activities drawing on contemporary/professional practice, has an important role to play in the University's achievement of its strategic plan, Making a Difference: The 2025 Agenda.</p> <p>The University is committed to a student-centered ethos and to developing creative, enterprising, career-ready graduates prepared to become lifelong contributors to society. In accordance with the strategic plan, the University seeks to:</p> <ul style="list-style-type: none"> <li>• deliver a richly interactive and personalised approach to learning focused on student success;</li> <li>• be an international leader in educational innovation, advanced learning technologies and learning analytics; and</li> <li>• develop enterprising graduates equipped with the skills required for success in the knowledge economy.</li> </ul> <p>The Lecturer in Nursing will contribute to excellence in teaching and learning across the suite of Nursing topics in the College of Nursing and Health Sciences; primarily the postgraduate programs in Diabetes Education. The Lecturer in Nursing will be responsible for making an independent contribution to teaching and the scholarship of teaching using innovations in teaching practices and technologies to deliver excellence in teaching. The Lecturer will also be expected to concurrently engage in practice as a Registered Nurse in a clinical or community setting to support maintenance of contemporary practice, knowledge and skills.</p> <p>The Lecturer may also be involved in teaching across other courses in the College of Nursing and Health Sciences or other Colleges. The Lecturer will be required to make an independent, high quality contribution to strengthening existing partnerships or exploring new partnerships with external stakeholders that have the potential for providing improved teaching, learning and/or research outcomes for the University. The Lecturer will prioritise, coordinate, monitor workflow and provide informal day-to-day feedback to all staff under their supervision according to the University's policies, practices and standards.</p>

UNIVERSITY EXPECTATIONS AND VALUES
<p>All staff at Flinders are responsible for understanding their obligations and responsibilities as set out in the University's code of conduct and are expected to:</p> <ul style="list-style-type: none"> <li>• demonstrate commitment to the University's values of Integrity, Courage, Innovation, Excellence and the underlying ethos of being Student Centred;</li> </ul>

- contribute to the efficient and effective functioning of the team or work unit in order to meet the University's objectives. This includes demonstrating appropriate and professional workplace behaviours, providing assistance to team members if required and undertaking other key responsibilities or activities as directed by one's supervisor;
- promote and support an inclusive workplace culture which values diversity and embraces the principles of equal opportunity;
- perform their responsibilities in a manner which reflects and responds to continuous improvement; and
- familiarise themselves and comply with the University's Work Health and Safety, Injury Management and Equal Opportunity policies.

*A valid National Police Certificate which is satisfactory to the University will also be required before the successful applicant can commence in this position.*

*Pursuant to Child Safety (Prohibited Persons) Act 2016 (SA) this position has been deemed prescribed. It is an inherent requirement of the position that the successful candidate maintains a current Working With Children Check which is satisfactory to the University.*

*COVID-19 vaccination in accordance with the Flinders University [COVID-19 Vaccination Policy \(2022\)](#) is a condition of employment with the University. Any offer of employment will be subject to the successful candidate presenting their COVID-19 Digital Certificate as evidence of vaccination or showing evidence of a valid medical exemption where relevant.*

#### **KEY POSITION RESPONSIBILITIES**

This position is predominantly concerned with teaching and teaching-related duties involving the creation, delivery and continuous quality improvement of university-level education. It includes (but is not limited to): direct teaching informed by approaches that enhance the student experience; curriculum design and review; delivery innovation; advancements in education technologies; and making an independent contribution to maintaining internal and external compliance and accreditation of courses. Appointees bring recent, ongoing (concurrent) and extensive experience and knowledge of contemporary clinical/professional practice to the position. The position is also expected to make an independent contribution to high-quality university, professional and community service. The position does not include making a research contribution.

##### Teaching:

- Create, coordinate and conduct inspiring teaching informed by approaches that enhance the student experience, with a focus on nursing topics, across all levels and modes of the College, with a focus on clinical skills training and/or supervision of students undertaking work integrated learning.
- Contribute to the planning and evaluation of these topics, undertaking the role of Topic Coordinator as required.
- Make an independent contribution to the review, renewal, development and design of curricula and courses that are attractive to existing and new cohorts of students and that nurture creativity and critical-thinking skills.
- Provide support, academic counselling and professional advice to students concerning their studies, professional development and career opportunities.
- Make effective use of innovations and technologies in teaching practice.

University, Professional and Service:

- Participate in the College's administrative activities such as membership of committees and working groups and attendance at College meetings.
- Maintain professional knowledge relevant to teaching within their discipline through scholarship and professional development.
- Engage in activities within a relevant external professional domain such as professional associations, conferences and workshops, and within a wider community context at local, national or international level.
- Provide high quality contribution to community service, with a focus on opportunities that maintain clinical skills currency, on behalf of the College and University.
- Undertake activities that promote the development of productive partnerships to provide opportunities for students and promote graduate employability.
- Some out of hours work (including weekends) as well as rural SA, interstate and overseas travel, may be required.
- Any other responsibilities in line with the level of the position as assigned by the Supervisor and / or the University.

**KEY POSITION CAPABILITIES**

- Doctorate in a relevant field or equivalent clinical experience and professional standing in Nursing.
- Postgraduate qualification in Diabetes Education, or equivalent qualification, is required.
- Currently registered with the Nursing and Midwifery Board of Australia (NMBA) through the Australian Health Practitioner Regulation Agency (AHPRA) as a Registered Nurse.
- Relevant and contemporary clinical experience in a relevant field and ability to maintain concurrently within or outside of this position.
- Hold and maintain a current membership with a relevant professional association.
- Evidence of excellence in teaching performance at a tertiary level.
- Evidence of an independent contribution to the development, delivery and evaluation of innovative teaching and learning strategies both in the classroom and in clinical education, including student assessment.
- Evidence of reflective practice.
- Demonstrated understanding of curriculum reviews and internal and external accreditation activities.
- Demonstrated understanding of the nexus between teaching and learning, research, scholarship and practice.
- Demonstrated excellent oral and written communication skills and interpersonal skills, including the ability to establish and maintain effective relationships with staff, students and industry.
- Demonstrates a commitment to fostering a positive workplace culture, and role modelling behaviours that support the University's Reconciliation Action Plan (RAP) and commitment to enhancing educational opportunities for Aboriginal and Torres Strait Islander people.
- Evidence of upholding the values and ethos of the University.

- *Demonstrated experience in diabetes education across a range of settings (desirable).*
- *Advanced knowledge of course accreditation requirements for relevant area (desirable).*
- *Experience in coordinating and/or leading the activities of other staff (desirable).*
- *Demonstrated experience and innovation using e-learning platforms for teaching purposes (desirable).*
- *Experience in development of international and short course teaching delivery or collaboration (desirable).*
