## **3. What is the Return of Service Obligation?**

Key points about the Return of Service Obligation:

For each Intern hosted under the 5+1 Internship Program, the Internship Provider must host one unpaid Psychology Student for a Work Integrated Learning (WIL) Placement.

The WIL Placement is a separate, unpaid placement for a Flinders University Psychology Student (Masters or PhD level). This obligation only applies if the Internship Provider issues an Internship Request that is confirmed by Flinders University.

The terms for the WIL Placement are set out in a separate agreement (Annexure A), which includes standard unpaid placement terms and conditions.
