

Engineering Building

Bedford Park Campus

Location

Level 3, Room 312

To get to the Parenting Room located in the South Ridge Precinct, walk past the yellow benches and towards the set of doors pictured here.

As you walk through the doors, you'll see an elevator.

Take it up to Level 3.

Immediately across from the elevator on Level 3 is the Parenting Room (yellow door). The door is not lockable, but there are 'occupied' signs in the room that you can stick on the outside of the door.
