Health and Medical Research Building

Location

Level 3, Room 321

Room 322

Room 322 is a separate parents toilet with both adult and child toilet and basin.

The Parenting Room at HMRB can be found in the Sleep Research area on Level 3. There is also usually a receptionist at the front desk. Once you're here, make your way down the aisle on the right-hand side of the room.

The room is about halfway down the corridor.

The door is lockable.
