Anticipated Facility Usage

1. _____

2. _____

3. _____

4. _____

Facility Rules

All users of the facility must:

- Have a valid facility subscription.
- Abide by Work, Health & Safety regulations at all times.
- Receive training on equipment before use either from other trained/registered group members or the Omics staff.
- Cleanup lab bench/workspace after use.
- Return all chemicals and equipment to their original locations.
- Rinse glassware and place in designated rack/tub.
- Label any buffer/solution made with appropriate Chemwatch label and discard any that are no longer needed.
- Save data and close software after using computers.
- Inform facility staff of any damage to or breakage of equipment and labware.
- Participate in general laboratory duties such as making commonly used buffers, refilling tip boxes and general lab tidy up.
- Pay the costs associated with using the facility including any damage to equipment caused by improper use.

I agree to abide by the above rules while using the Flinders Omics Facility
