

## 2026 Postgraduate Research Student Maintenance (RSM)

The College provides RSM support to research students whilst enrolled in a Higher Degree by Research (HDR) course. College RSM application forms are found on the [CNHS HDR website](#) and should be submitted to [cnhs.hdrstudents@flinders.edu.au](mailto:cnhs.hdrstudents@flinders.edu.au) when complete for consideration by the HDR Coordinator. Funds are not automatically allocated. An application form is required each year.

### 1. Purpose of Research Student Maintenance:

- Research Student Maintenance (RSM) is offered by the College Research Committee. It assists with the cost of research projects being undertaken by Postgraduate students completing a Higher Degree by Research (HDR).
- The RSM allocation is a grant-in-aid for maintenance and consumables. The amount offered is a contribution to the total maintenance costs and may not cover all expenses associated with a HDR research project.

### 2. Eligibility:

- A HDR student is eligible to apply for up to \$2,000 per year of FTE candidature to a maximum of \$6,000 during the normal enrolment period (up to 3 years for PhD; 2 years for Masters of Science by Research; 1 year for Master of Health and Clinical Research).
- RSM will only be awarded to candidates enrolled in a HDR in the College of Nursing & Health Sciences.
- Students who upgrade their HDR program (e.g., from Masters to PhD) are only entitled to the maximum of \$6,000 of RSM (i.e., the years spent on the former degree are counted towards the 3 years FTE of RSM in the PhD).
- Retrospective applications will not normally be supported. It is the student's and supervisor's responsibility to plan and apply for funds each year.

### 3. Acceptable use of RSM funds

- Laptop
  - Commencing Higher Degree by Research students (within the first 12 months FTE) may elect to use RSM for a new laptop computer for use during their candidature. The University's Information & Digital Services (IDS) team accept responsibility for purchasing, dispatching and maintaining laptops for HDR students. This must be done following [College](#) and [Flinders University Information Technology](#) procedures.
  - **Note:** Upon completing your candidature, students are required to return laptops purchased with RSM funds to IDS for wiping. Once the laptop has been wiped and cleared by IDS, students will have the option to buy the device at a reduced fee, which will be based on the current residual value of the hardware.
- Participant honorariums/vouchers (see Gift Card Request in ServiceOne)
  - As per policy reimbursement for **Gift cards require prior approval** - this needs to be put through [ServiceOne](#). This pre-approval is required for using both corporate credit cards and RSM (reimbursement) to purchase these items.
  - The account code is the RSM account number, which your Principal Supervisor has as the account holder. The natural account code is 3217. If you don't have access to ServiceOne your supervisor will need raise the ServiceOne request on your behalf.
  - Gift cards are for volunteers or research study / survey participants.
  - They are a token of appreciation unrelated to any estimate of the value of the recipient's contribution (please also check with Ethics regarding appropriate amounts for reimbursement/tokens of appreciation).

## 2026 Postgraduate Research Student Maintenance (RSM)

**6. Allocation & spending of RSM funds**

- Funds are not automatically allocated. An application form is required each year. Retrospective applications will not normally be supported.
- The RSM allowance is calculated and allocated as follows:
  - Students will be required to request \$2000 as a full-time student or \$1000 as a part-time student for each equivalent FTE year.
  - Students will be required to list their budget for the year and justification for why RSM is needed.
  - Payments will be made after the first application and annually when another application is made. Please apply annually for RSM on your commencement date anniversary.
- The **student's supervisor** is responsible for ensuring that RSM funds are expended in the best interests of the student and their HDR progress. The supervisor holds the RSM account and is responsible for ensuring that funds are used appropriately. Any expenses claimed must be related and justifiable to the HDR project, explicitly stated in ServiceOne requests.
- Reimbursement of costs is managed using a Student Expense Reimbursement Template available on the [CNHS HDR website](#).
- The balance of the RSM account will carry forward into the next year for use, with any remaining funds being returned to the College upon the student's completion of candidature.
- The College Research Committee, Finance Manager or Director of College Services may audit RSM accounts at any time.
