Rowe Scientific Scholarship for Chemistry (Honours)

Description
The Rowe Scientific Scholarship for Chemistry (Honours) has been generously funded by Rowe Scientific Foundation to support students pursuing a career in Chemistry.

Benefits
The scholarship will have a value of up to $3,500, to be paid in equal instalments after the census date of each semester. Up to two scholarships will be awarded per annum.

Eligibility
Applicants for the scholarship must:

- be an Australian Citizen or NZ Citizen; and
- be enrolled full-time at Flinders University*; and
- be enrolled or enrolling in an eligible Chemistry-related Science honours year[+].

Students may hold different Flinders Rowe Scientific Foundation Scholarships in successive study years but may not hold concurrent Flinders Rowe scholarships.

* Recipients who have extenuating circumstances that prevent them from studying full-time (e.g. disabilities, illness, or carer responsibilities) may apply to hold their scholarship part-time subject to the provision of satisfactory independent documentation.

[+] eligible degrees and/or priority topics will be listed on the University website.

Tenure
The Scholarship is awarded for up to one year of full-time study in the course for which the scholarship is awarded.

Scholarship payments will be stopped if the recipient no longer meets the eligibility criteria.

Leave
Leave is permitted for one semester after the first semester of payment.

Selection
The Scholarship selection will be made based on:

- academic merit comprising of aggregate scores from eligible chemistry topics; and
- interest in Chemistry as demonstrated in a written statement.

Selection will be undertaken by the Flinders Rowe Chemistry Committee.

Applications
Applications can be made online through the Flinders University Student Management System. Only complete applications submitted by the closing date will be considered.

Advertising
The Scholarship will be advertised on the University website and other appropriate media as determined

Rowe Scientific Scholarship for Chemistry (Honours)

by Flinders University.

Authority
