Rowe Scientific Scholarship for Chemistry (Research Experience)

Flinders University

Description
The Rowe Scientific Scholarship for Chemistry (Research Experience) has been generously funded by Rowe Scientific Foundation to support students to undertake a Chemistry research experience or equivalent science project topic in Chemistry.

Benefits
The scholarship will have a value of up to $1,500, to be paid in a single instalment. Up to four scholarships will be awarded per annum.

Eligibility
Applicants for the scholarship must:

- be an Australian Citizen or NZ Citizen; and
- be enrolled full-time at Flinders University*; and
- be enrolled or enrolling in an eligible Chemistry focused Science course.

Students may hold different Flinders Rowe Scientific Foundation Scholarships in successive study years but may not hold concurrent Flinders Rowe scholarships.

* Recipients who have extenuating circumstances that prevent them from studying full-time (e.g. disabilities, illness, or carer responsibilities) may apply to hold their scholarship part-time subject to the provision of satisfactory independent documentation.

[+] eligible degrees and/or priority topics will be listed on the University website.

Tenure
The Scholarship is awarded for up to one year of full-time study in the course for which the scholarship is awarded.

Scholarship payments will be stopped if the recipient no longer meets the eligibility criteria.

Leave
Leave is permitted for one semester after the first semester of payment.

Selection
The Scholarship selection will be made based on:

- academic merit assessed primarily through eligible topic scores; and
- interest in Molecular Biosciences as demonstrated in a written statement.

Selection will be undertaken by the Flinders Rowe Chemistry Committee.

Applications
Applications can be made online through the Flinders University Student Management System. Only complete applications submitted by the closing date will be considered.
