Contribution of Each Author:

An example of how to detail contributions to a publication:

- F Jones and myself (S Roberts) collected data from past year's applications.
- F Jones entered these into the computer.
- I undertook preliminary analysis of the data and drafted sections 2 and 3 of the article.
- J Smith completed analysis of the data, and produced a final draft article.

Where information regarding your contribution to a publication is not provided, the Scholarships Committee may assume that your contribution was negligible.
