

## **Honours Scholarship**

## 2022 - 2023 Application Form

THIS APPLICATION FORM IS FOR NON-FLINDERS STUDENTS ONLY

The Microbial Ecology Laboratory at College of Science and Engineering has established a Honours Scholarship to provide opportunities for Honours students interested in microplastic research.

The Microbial Ecology Laboratory will grant one scholarship of \$2,000 to support a Honours student undertaking a project on Microplastic research with the Microbial Ecology Laboratory (led by A/Prof Sophie Leterme) starting in February 2023. The scholarship payment will be paid in two installments.

## **Eligibility**

Applicants must:

- Generally, have completed an undergraduate degree in Biology or Chemistry.
- Be willing to enrol in a Honours Degree starting in 2023 at Flinders University.
