

Purpose

The purpose of this scholarship is to provide financial assistance to students in the second and subsequent years of the Bachelor of Engineering Technology (Systems and Security), Bachelor of Science (Physics) combined degree.

Source of funds

The scholarship is funded by DST.

Benefits

Each scholarship will have a value of \$3,000 paid in equal instalments after the census date of each semester. Up to 30 scholarships will be available per year for the duration of the funding, normally spread equally over the year levels.

Eligibility

- Applicants must:
- be enrolled in the second or subsequent year Bachelor of Engineering Technology Systems and Security), Bachelor of Science (Physics) combined degree or an approved alternative¹; and
- normally enrolled full-time at Flinders University; and
- Australian citizens or permanent residents; and
- have a GPA of 5.5 or above.

Applications will be accepted from part-time students who have extenuating circumstances that prevent them from studying full-time (e.g. disabilities, carer responsibilities). Part-time recipients will be paid pro-rata.

Tenure

The tenure for each scholarship is 1 year subject to students maintaining a GPA of 5.5. The scholarship will be paid in two equal instalments, after the census date of each semester. Previous recipients of this scholarship may reapply in subsequent years. Scholarships will not be awarded for repeat study.

Leave

Leave will be permitted for the second semester of this scholarship, for a maximum of one semester only.

Selection

¹ Approved alternatives will be listed on the University's Scholarships website.

DST Scholarship for Continuing Students

The scholarship will be awarded on the basis of academic performance in the topics comprising the combined degree.

Scholarship selection will be made in accordance with approved procedures.

Applications

- Applications should be submitted online through the Student System by the specified closing date.

Advertising

The scholarship will be advertised on the University website and other appropriate media as determined by Flinders University.
