Scholarship applicants must meet the following criteria:

- be an Australian or New Zealand citizen, permanent resident of Australia or permanent humanitarian visa holder; and
- be applying via SATAC to commence an undergraduate degree at Flinders University as a Commonwealth Supported Student; and
- have completed year 12 in the year prior to commencing University study; and

This scholarship cannot be held concurrently with other major University scholarships and is not valid for the postgraduate component of combined degrees.

Benefits

The scholarship is valued at \$12,000 per annum for up to four years. The scholarship will be paid in instalments of \$6,000 each semester subject to the recipient maintaining eligibility.

Tenure

The scholarship is awarded for the published duration of the course up to a maximum of four years.

Recipients must:

- normally be enrolled full-time in a Commonwealth Supported Place in an eligible course; and
- normally maintain a GPA of 5.0.

Recipients who have extenuating circumstances that prevent them from studying full-time (e.g. disabilities, illness, or carer responsibilities) may apply to hold their scholarship part-time subject to the provision of satisfactory independent documentation.

Selection

Selection will be awarded based on academic merit, using the applicant's university entrance score. Selection of the candidate(s) will be made at the same time as the main round of university admission offers in accordance with procedures approved by the Director, Student Administration Services and based on SATAC application data. If the scholarship quota is not filled in the first main round of offers, the University may decide to offer scholarships to students in subsequent rounds. (Note, the main round is usually the first offer round held in the January of the admission year).

Applications

An application for an eligible course will constitute an application for the scholarship.
