Dear Colleagues,

Thank you to everyone who joined us for today's *Overview of Academic Promotions* session presented by the Deputy Vice-Chancellor (Research), Professor Raymond Chan. We appreciated your engagement and the thoughtful questions raised during and after the session.

The full recording, including responses to the post-session questions, is now available on the **Academic Career Framework (ACF) Hub** for all academic staff to access. You can view the recording [here](#).

As we progress through the 2026 Academic Promotions round, please keep an eye out for further communications regarding dates and registration details for the remaining centrally offered sessions. These will also be available via the ACF [Hub](#).

If you have any questions, please feel free to reach out via this email address.

Kind regards,
