These procedures provide additional detail to give practical effect to clause 63 OVERSEAS CONFERENCE SCHEME of the Enterprise Agreement 2019.

1. Absence from the University under the Overseas Conference Scheme will be limited to periods of two weeks or less.

2. Requests for support under the scheme will be assessed on the basis of merit only. The actual support granted will not exceed travel expenses necessarily incurred by the staff member attending the conference and may be reduced at the discretion of the College Vice-President and Executive Dean/Portfolio Head and in accordance with funding constraints applying from year to year. Adjustment may also be required where support from external sources is offered.

3. The maximum amount available under the scheme will be equivalent to the base level of financial support provided under the University’s Outside Studies Program as at the date of the conference.

4. Financial support will not be granted from both the Overseas Conference Scheme and the Outside Studies Scheme in respect of a continuing period of absence from Australia.

5. Each College/Portfolio will determine the process for considering and approving Overseas Conference Scheme applications, including delegations of authority and deadlines; and the financial assistance available to staff members.
6. Overseas Conference applications will not normally be approved for the period between notice of resignation being given and the effective date of resignation, unless substantial benefits to the College/Portfolio/University can be demonstrated.

7. Every member of staff granted support from the Overseas Conference Scheme is required to submit to the Vice-President and Executive Dean/Portfolio Head, within one month of returning, a report on her/his contribution to the conference concerned. No further application for financial support from the Overseas Conference Scheme will be considered until the required report has been received and approved by the Vice-President and Executive Dean/Portfolio Head.

8. Any absence from the University under the Overseas Conference Scheme will not be considered as an Outside Studies Program.
