4.2 High level of assistance

Where a person’s assessed capacity is 10 per cent, they shall receive a high degree of assistance and support.

Where an assessment has been made, the applicable percentage will apply to the salary rate only. A staff member covered by these provisions shall be entitled, on a pro-rata basis, to the same terms and conditions of employment as all other staff members.

In order for an adequate assessment of the staff member’s capacity to be made, the University may employ a person under these provisions for a trial period not exceeding 12 weeks, except that in some cases additional work adjustment time (not exceeding 4 weeks) may be needed. During the trial period the assessment of capacity shall be undertaken and the proposed salary rate for a continuing employment relationship shall be determined.

The minimum amount payable to the staff member during the trial period shall be no less than 10 percent of the prescribed salary rate.
