## 1. Governing Policy

[Policy on Public Statements](#)

Also see: [Research Integrity Policy](#).

## 2. Purpose

- a. These procedures are about handling enquiries and requests for information from the media and members of the public about the use of animals in research and teaching.
- b. In accordance with the requirements of the Animal Welfare Act 1985 (SA), Flinders abides by all legal and ethical requirements for the acquisition and use of animals, and is subject to regular scrutiny by the South Australian Department of Environment, Water and Natural Resources (DEWNR) and the University's Animal Welfare Committee (AWC).
- c. The University is satisfied that this level of scrutiny is sufficient and that any additional public scrutiny should be within the limits of these Procedures.

## 3. Scope

- a. These procedures apply to all University staff, students and holders of academic status.
- b. Applications for access to information about animal use made under the provisions of the Freedom of Information Act 1991 (SA) are treated in accordance with that Act.
- c. Enquiries from grant funding agencies, about projects involving animal use that they have funded, may be dealt with in accordance with the terms of the grant agreement.

## 4. Telephone enquiries (non-media)

### Person receiving enquiry of this type

- a. Ask the enquirer to submit a request in writing to the Manager, Research Ethics and Compliance so that a properly considered response can be provided.
- b. Do not attempt to respond to such enquiries or to enter a discussion of the issues.
