 - A Commonwealth Supported Place (CSP) is a course subsidised by the Commonwealth Government for domestic students. CSP students will pay the subsidised fee as their Student Contribution.
 - A Full-Fee Paying Place (FFP) is a course not subsidised by the Commonwealth Government. FFP students will pay the full course fee as their Student Contribution.
- Eligible recipients can defer their discounted tuition fee or student contribution through a HELP loan. The discount cannot be retrospectively applied to admitted students who have commenced the course in previous years.
- There is no financial payout of any unexpended portion of this discount, nor is it refundable if a recipient withdraws from the course or is withdrawn due to unsatisfactory academic progress.
- The discount is not transferrable to a third party.
- The discount will not be extended beyond any advertised duration or amount unless otherwise advised by Flinders University.
- The discount will be revoked if any information submitted with the application is found to be false or misleading.
- The discount may not be available again to recipients who withdraw from the course after commencement and then reapply for readmission in a later year(s).
- Should an applicant be eligible for both the Alumni and Staff discount, the Staff discount (30%) will be applied if successful in their application for entry.
- The discount is not available to students on other Flinders University scholarships.
- Applicants eligible for the Staff discount should note they may be subject to Fringe Benefit Tax if there is not sufficient connection between the employee's current role and their course.
