

From the home screen navigate to the My Study tile.

For students in multiple degrees select “Manage my Course” for the appropriate degree.

Academic History

Courses

Below is an overview of your current and academic history for each course, including topic status information. To learn more about what each status means, visit the [Glossary](#). Completed courses are no longer available for enrolment, but you can still view topic information.

Select the **Manage my course** button to view your study plan and choose topics or specialisations (if available).

Select the **Plan and enrol** button to organise your study periods and enrol in topics for the current year.

BNGG Bachelor of Nursing (Graduate Entry) Admitted
