For students in multiple degrees select “Manage my course” for the appropriate degree.

Academic History

Courses

Below is an overview of your current and academic history for each course, including topic status information. To learn more about what each status means, visit the [Glossary](#). Completed courses are no longer available for enrolment, but you can still view topic information.

Select the **Manage my course** button to view your study plan and choose topics or specialisations (if available).

Select the **Plan and enrol** button to organise your study periods and enrol in topics for the current year.

BNGG Bachelor of Nursing (Graduate Entry) Admitted

Commenced 2025, Course First Half Year

Manage my course **Plan and enrol**

BNGG-CRD
Bachelor of Nursing (Graduate Entry)
Core, Approved in 2025, Not entered, Bedford Park

APPROVED **BNGU-BL3**
Option - Level 3 bundled topics
Core, Approved in 2026, Not entered, Bedford Park

Note: Students who are admitted or offered into one degree will be sent directly to the Manage my Course page and will not need to complete this step.

To see further topic information, click View to open the topic pop-out.

Requisite Evaluation Pending: Select a Study Combination to evaluate Requisites

Corequisites
A corequisite is a topic of study which has to be completed concurrently with another.
✅ There are no corequisites for this topic.

Antirequisites
Topics that are anti-requisites of each other contain similar content and cannot be used towards degree requirements. You will be unable to enrol in a subject if you have already completed any of the anti-requisites listed or have planned topics scheduled at the same time.
✅ There are no antirequisites for this topic.

Other Requisites
The other requisites require all the non-study package conditions to be marked as satisfied.
✅ There are no other requisites for this topic.

3 **Confirmed Study Periods**
2025 Jul to Dec Non-Semester, Bedford Park
2026 Jul to Dec Non-Semester, Bedford Park

Topics or components requiring selection will appear with an orange exclamation.
