Student Services and Amenities Fee (SSAF)

2025 Allocation Report

Introduction

The *Higher Education Support (Student Services, Amenities, Representation and Advocacy) Guidelines 2022* (SSARA Guidelines) require higher education providers to provide a publicly available report on student services and amenities fee (SSAF) allocations and actual expenditure for the year as part of their annual reporting and in the form approved by the Minister. This *SSAF Allocation Report* is the form approved by the Minister.

The information provided in this *SSAF Allocation Report* does **not** require auditing by a financial accountant. The SSAF expenditure reporting is a separate process and remains unchanged, more information can be found in the [Financial Statements Guidelines](#) for Table A and B providers, and in the [Financial Viability Instructions: Applicants and Providers of FEE-HELP \(FVI\)](#) for all other approved providers.

SSAF Consultation and Achievements

Each year a call is made to the University community for applications for Student Services and Amenities Fee (SSAF) funds for the following year. Applications are considered by the University's SSAF Budget Advisory Committee, with the Committee making a recommendation to the Vice-Chancellor for SSAF funding allocations.

In October 2024, all students were invited to complete the 2024 SSAF Survey for the allocation of 2025 SSAF funds. The survey was held between 29 September and 10 October 2024. A total of 19,610 survey invitations were sent out and 949 students participated in the survey (a 4.8% response rate).

Participating students ranked the applications for 2025 SSAF funds. In addition, respondents provided valuable feedback around SSAF service delivery.

The SSAF Budget Advisory Committee considered the results from the above survey when deliberating on how to allocate funds for 2025. The SSAF Budget Advisory Committee comprises the following:

- Director, Student Life (Chair), nominee of the Deputy Vice-Chancellor (Students);
- President, Flinders University Student Association;
- General Secretary, Flinders University Student Association;
- Student member, nominated by the Student Council, Flinders University Student Association;
- Chief Financial Officer (or nominee);
- A senior academic or professional staff member at the College level, appointed by the Deputy Vice-Chancellor (Students);
- Manager, Student Engagement (non-voting)
- Executive Officer (non-voting).

The Student Services and Amenities Fee funds a wide range of student services and amenities, including advocacy and welfare services, financial counselling and assistance, clubs and societies, sport and recreational activities, student media, student mental health and wellbeing programs and expanded services offered by the Student Learning Centre, Health Counselling and Disability Services, and Careers and Employability.

Following the end of year, a compliance process is undertaken where recipients of the year's SSAF funds certify that the revenue from the SSAF fee was spent strictly in accordance with the Act and only on services and amenities specified in subsection 19-38(4) of the Act.

In 2025, 48% of the SSAF revenue collected by the University was provided to the Flinders University Student Association (FUSA).

Established in 2012, the Flinders University Student Association is an unincorporated association representing the rights and interests of students. FUSA provides support services including academic advocacy, financial counselling and welfare support, student clubs and societies, events (including orientation) and student representation. The structure and aims of FUSA are determined through the association's constitution. Under the constitution FUSA has a Student Council which sets the strategic direction of the association, is responsible for governance, approval of budgets and representing students' interests. The student council is made up of 20 elected members which include 14 office bearers and 6 general council members. FUSA is supported by a dedicated team of staff who are employees of the University.

To date, as an unincorporated association, FUSA's operations have been supported by the University. This means that although a large proportion of SSAF is allocated to FUSA each year, FUSA has not maintained its own bank account, produced its own audited financial statements, or developed its own policies about record keeping, risk management, fraud prevention and financial controls.

The Higher Education Support (Student Services, Amenities, Representation and Advocacy) Guidelines 2022 (Guidelines) set out new requirements for what constitutes a 'student led' organisation which FUSA does not appear to meet, therefore, the University had in place an approved transition plan for 2025.

SSAF Revenue Summary

	2025 Allocation \$ ¹	2025 Actual \$
SSAF Revenue	\$5,239,994	\$5,485,086
SSAF revenue carried forward from 2024	-	\$749,122
Total SSAF funds available for 2025	\$5,239,994	\$6,234,208
SSAF revenue carried over into 2026	-	\$1,031,865

¹ Allocation refers to the SSAF funds expected to be received in the reported year (i.e., budgeted SSAF revenue).

SSAF Charge Summary

The student services and amenities fee (SSAF) charged to students must not be above the maximum fee for a calendar year. The maximum SSAF is indexed annually as required by the *Higher Education Support Act 2003* (the Act). In 2025 the maximum SSAF was **\$365**.

Student Status	2025 SSAF charged \$ ²	Number of students charged in 2025 ³
Full-time ¹ (> 0.75 EFTSL)	\$4,599,489	15,542
Part-time ¹ (< 0.75 EFTSL)	\$885,597	9,108
		Total: 24,650

¹ Note: As per Part 2 of the *Higher Education Support (Administration) Guidelines 2022* (Administration Guidelines), students studying on a part-time basis must not be charged more than 75 per cent of the maximum SSAF that a higher education provider determines for students studying on a full-time basis. The term “part-time basis” means a study load of less than 75 per cent of the normal full-time student load for the period to which the fee relates. As per part 7 of the Administration Guidelines, the normal EFTSL value for a full-time student studying over a period of one year is 1.0.

² Note: As per Part 2 of the Administration Guidelines, a higher education provider may choose to determine a different SSAF for particular categories of persons, including a zero amount.

³ Note: Students are categorised as full-time or part-time students based on the total EFTSL value of the units of study they undertook in 2025. For example, a student undertook a full-time study load in Semester 1 which was equal to 0.5 EFTSL and undertook a part-time study load in Semester 2 which was equal to 0.375 EFTSL. This student would be categorised as a full-time student in 2025 as the total EFTSL they undertook in 2025 was equal to 0.875.

Student Status	2025 SSAF charged \$ ²	Approx. number of SSAF students remote learning 2025 ⁴
Remote learning/Online only	\$347,247	4,981

⁴ Note: The Department of Education understands that not all higher education providers capture mode of study in their information systems and many students undertake a mixed mode of study such as face-to-face and remote learning. The data provided above is for students who undertook remote learning for 100% of their units of study. Please note, due to the limitations of our information systems, the above data may be approximate.
