
**Master of Occupational Therapy
Self-assessment form
2020**

IMPORTANT INFORMATION

Please note that this form should be completed by domestic applicants whom have a current/existing SATAC application for entry to the Master of Occupational Therapy (SATAC course code 2CM133) at Flinders University. This form should be completed and submitted via email (askflinders@flinders.edu.au) within 10 days of submitting their SATAC application.

It is recommended applicants also include the Master of Occupational Therapy [Full fee] (SATAC course code 2CM533) in their preferences.

Equal consideration will not be guaranteed to applicants with missing results and/or degree completion pending as at Friday 3rd January 2020.

Due to limited places available, selection is based on meeting the above requirements and academic merit. Applicants who meet the above requirements will be ranked on their best Flinders equivalent GPA or above achieved over a minimum of one semester of full-time equivalent study in one course.

Many Flinders University topics can be undertaken as non-award study that may meet the pre-requisites for the Master of Occupational Therapy if applicants feel they do not meet the pre-requisites. More information about non-award study is available at www.flinders.edu.au/enrolling/non-award-students/. Non-award study does not allow applicants to achieve a GPA for consideration in future applications even if they have completed a minimum one semester full-time equivalent of non-award study.

Applications are not able to be pre-assessed and feedback can be provided once applications are submitted through SATAC, meet any deadlines for payment of application fees to be guaranteed equal consideration and have been considered. Applicants who are not successful in receiving an offer will be able to be provided with feedback on how to improve their chances for selection in the future if they wish to pursue a career as an Occupational Therapist.

Applicants are advised that should they receive an offer for a place in this degree they will be required to enrol in topics in the degree by the enrolment deadline stated in the letter of offer from SATAC. If they do not enrol via the Flinders University Student System by the specified date, their offer of a place in the degree will be forfeit. Applicants who receive an offer for a place in this degree should also note that if they subsequently receive an offer to a higher preference, their superseded offer of a place in this degree will also be forfeit.

For further information contact us via email: askflinders@flinders.edu.au or call 1300 354 633 (option 1).

INSTRUCTIONS

Applicants who have completed a bachelor degree or equivalent qualification from an overseas institution or who completed a bachelor degree or equivalent qualification in an Australian institution prior to 2014 will also need to provide syllabus information for the topics they believe meet the pre-requisite criteria.

Applicants who hold one of the following bachelor degrees (completed within the last six years) are not required to submit this form:

- *Applicants who have completed or are about to complete the Flinders' Bachelor of Health Sciences (with the Specialisation Principles of Occupational Therapy)*; OR*
- *Applicants who have completed or are about to complete the Flinders' Bachelor of Exercise Science (with the Specialisation Allied Health)*.*

Applicants must meet the following requirements to be eligible to apply:

Applicants must hold a bachelor degree or equivalent qualification and have achieved a Flinders equivalent grade point average (GPA) of credit (5.00) or above to be considered.

Applicants must also have completed:

- the equivalent of 9 Flinders units (0.25 years FTE) of study focused on an understanding of body structures and function such as human biology, physiology and anatomy including detailed musculoskeletal anatomy with an emphasis on the upper limb; and
- the equivalent of 4.5 Flinders units (0.125 years FTE) of study focused on an understanding of the human and social environment and social perspectives in health such as psychology and sociology; and
- the equivalent of 4.5 Flinders units (0.125 years FTE) study of research methods; and
- the equivalent of 4.5 Flinders units (0.125 years FTE) of study in communication skills.

Applicants who did not achieve the minimum GPA in their completed bachelor degree or equivalent qualification, can be considered on the GPA achieved in a graduate certificate provided they have completed a minimum one semester full-time equivalent study in this course. In addition, applicants can also be considered on the GPA achieved in a minimum of one-semester of full-time equivalent study or more undertaken in another bachelor degree, graduate diploma or Masters degree of their choice, even if this course is not completed.

*completion of these courses does not guarantee entry into the Master of Occupational Therapy. It provides students with the necessary prerequisite topics for to be eligible to apply for the Master of Occupational Therapy via competitive entry through SATAC. Only applicants who have completed or are about to complete these specific courses and specialisations/electives within the last six years are exempt from submitting this form.

Every effort has been made to ensure the information in this brochure is accurate at the time of publication: September 2019. Flinders University reserves the right to alter any course or topic contained herein without prior notice. Alterations are reflected in the course information available on the University's website.
