HOW DO I RESPOND TO MY UNIVERSITY OFFER?

If you receive an offer to your first preference you don't need to accept your offer as this will be done automatically by SATAC on your behalf. However, if you wish to reject this offer you will need to do so by logging into your application on the SATAC website and changing your response.

CAN I RECEIVE MORE THAN ONE OFFER IN EACH OFFER ROUND?

You will only receive one offer in each offer round.

I DIDN'T RECEIVE AN OFFER TO MY FIRST PREFERENCE AND I'M UNSURE WHETHER I SHOULD ACCEPT AN OFFER TO MY LOWER PREFERENCE. WHAT SHOULD I DO?

Flinders is here to help you make the right decision for you. Chat to one of our student advisors over the phone or book a one-on-one appointment. We can discuss your options with you to help you decide what works best for you.

WHEN DO I HAVE TO RESPOND TO MY UNIVERSITY OFFER?

If you receive an offer to your first preference, you don't need to accept your offer as this will be done automatically on your behalf. However, if you wish to defer or reject this offer you will need to do so by logging into your application and changing your response.

If you receive an offer for one of your lower preferences and wish to accept, you must do so by the date stated in your offer letter from SATAC. Otherwise, your offer may lapse. Make sure you read the details in your offer letter carefully

SHOULD I ACCEPT MY OFFER FROM THE MAIN OFFER ROUND OR WAIT TO SEE IF I GET AN ALTERNATIVE OFFER IN THE NEXT OFFER ROUND?

If you receive an offer to your first preference in the main offer round, you will not receive offers to your lower preferences in subsequent offer rounds. If you wish to be considered for your lower preferences, you will need to change your preferences so that the lower ones in the main offer round are placed higher in your preference list than the offered preference in subsequent rounds. If you don't respond to your offer and you don't receive an offer in a subsequent round, you may miss out on studying at university in 2019.
