new courses 2020 NEW COURSES
There’s rarely been a better time to embrace the business world. Technological changes are opening up new opportunities. Flinders Business degrees are designed to prepare you for a career in the real world and could put you in the driver’s seat to take advantage of a new tomorrow.

Find out more at FLINDERS.EDU.AU/BUSINESS
This degree provides students with the skills and knowledge required to apply economic analysis in business contexts. Business economists conduct research, collect and analyse data, monitor economic trends, and develop economic forecasts. They provide strategic advice to senior management in banking, finance, insurance, accounting, government, research and educational organisations.

Combined degrees are:
- Bachelor of Arts
- Bachelor of Business
- Bachelor of Economics
- Bachelor of International Relations
- Bachelor of Laws and Legal Practice
- Bachelor of Laws and Legal Practice (Honours)
- Bachelor of Marketing
- Bachelor of Management
- Bachelor of Political Science
- Bachelor of Supply Chain Management

Bachelor of Business Economics (Advanced Leadership)

This degree is an advanced version of the Bachelor of Business Economics and focuses on preparing students who demonstrate high levels of academic achievement for leadership careers in their chosen field. The Advanced Leadership specialisation provides students with a unique program in leadership, prepares them for participation in the work force, requires attendance at relevant seminars, and includes a compulsory work placement and industry project.
Special Education
244081 – Bachelor of Education (Early Childhood)/Bachelor of Special Education 4 PT
This double degree combines study of early childhood education with studies in Special Education and Disability. This degree aims to support students to become effective educators of young children in the early years (birth to age 8) including those with disabilities, and learning or behavioural difficulties.

244171 – Bachelor of Education (Primary R-7)/Bachelor of Special Education 4 PT
This double degree combines study of the general primary curriculum with studies in Special Education and Disability. This degree aims to support students to become effective teachers of students in the primary years (Reception to Year 7) including those with disabilities, and learning or behavioural difficulties.

Education is a fast-growing sector, with great job opportunities. With over one million people already employed, Australia’s education and training sector is projected to grow by 12% by 2022*. Becoming an educator means joining an industry with long-term career prospects. We need more educators. We need people who will guide and teach the next generations.

*Australian Jobs 2018

International Relations and Political Science
244191 – Bachelor of International Relations and Political Science 3 PT

244192 - Bachelor of International Relations and Political Science combined degrees 4-6 PT
This degree aims to provide students with a comprehensive grounding in politics, public policy and international relations, and an understanding of Australia’s political system in a regional and global context. Students will have the opportunity to explore political parties and institutions, interest groups and electoral systems, health and welfare policy, political theory, comparative politics and political economy, international political economy, globalisation, international relations theory, diplomacy, strategy and foreign policy, international terrorism, security studies, and development studies.

Combined degrees are:
- Bachelor of Accounting (SATAC code 244001)
- Bachelor of Arts, Bachelor of Business (SATAC code 214765)
- Bachelor of Business (Human Resource Management) (SATAC code 224402)
- Bachelor of Business (Innovation and Enterprise) (SATAC code 234402)
