Flinders University acknowledges the Traditional Owners and Custodians of the lands on which its campuses are located, spanning across South Australia and the Northern Territory. We honour their Elders and Custodians past, present and emerging. We recognise the three largest Flinders University campuses across South Australia and Northern Territory are located on the lands of the Kaurna (Bedford Park, SA), Arrernte (Alice Springs, NT) and Larrakia (Darwin, NT) Nations.
At Flinders, it’s all about your sporting career

Choose your degree
Flinders University offers a range of sports-oriented degrees that will see you graduate prepared for a sport-related career. From the business of sport to the science that helps athletes perform at their best, choose a degree that reflects your passion for healthy living, physical activity and the sporting world.

Get the support you need
From sporting facilities to financial support, mental health and wellbeing resources and services, student grants, counselling services (including careers and financial) and many social opportunities, we offer a range of services to ensure your study experience is everything you want it to be.

Gain real-world experience
Flinders’ Work Integrated Learning (WIL) enables you to gain work experience while you study. You’ll have the opportunity to gain real-world experience through placements, practicums, field studies and simulated workplace settings and assessment activities. Flinders aims to provide each and every student with access to a WIL opportunity during their studies.

“The Bachelor of Sport, Health and Physical Activity is flexible, practical and provides you with knowledge and skills in a range of different areas within the sport industry. There is a lot of scope within the degree to choose your career path and align the practical experiences you’ll have during your studies with that career path. The role I hold today at the SANFL came to fruition through the connections I made during my placement.”

Mitchel Noye
Bachelor of Sport, Health and Physical Activity graduate
No. 1 SA university for learner engagement, skills development, student support and starting salary*

* The Good Universities Guide 2022 (undergraduate), public SA-founded universities only

Sport

Sport is more than a hobby. Sport is big business, and you could build an exciting career following your dreams.

Take advantage of our ongoing passion for sport

Australia’s sports industry is thriving. According to the Australian Government’s Job Outlook statistics,* future jobs growth for sportspersons is strong, and very strong for sports coaches, instructors and officials. If you have a passion for sport, your studies could lead to a long-term, rewarding career.

* joboutlook.gov.au (accessed 20/2/2021)

Be taught by sporting specialists

Flinders University’s sport degrees are taught by experts in their fields, including academics who have helped shape sporting strategies, sports teaching and coaching.

Study towards a rewarding career

Careers in sporting fields are varied. As we focus more on our health and physical activity, career opportunities will continue to arise. Projected employment growth through to November 2025 is strong across multiple areas, such as:

- Sports and Fitness Workers 9.4%
- Sports Coaches, Instructors and Officials 8.9%
- Outdoor Adventure Guides 16.6%

Source: 2020 National Skills Commission Projections

Five stars for Skills Development**

** The Good Universities Guide 2022 (undergraduate)
Expert coaching

Learn from industry experts and active researchers who build academic programs on real-world experience.

Associate Professor Shane Pill is just one example of the range of dynamic talent teaching across our sports programs. Our staff strive to push the boundaries of teaching excellence through research, and through progressive pedagogical methods. They work with students to develop courses and tailored academic programs that provide the best outcomes and career development for each potential athlete, coach, physio, analyst or even sports enthusiast.

Associate Professor Shane Pill has literally written the book on sports leadership. In fact, he’s written six, not to mention over 100 scholarly and academic papers. Recipient of two Australian Awards for University Teaching (2021, 2016), Shane Pill is a specialist in curriculum design and enactment, pedagogy and instructional strategies for games and sport teaching, sport coaching and curriculum leadership.

With 18 years’ experience in school science and physical education classrooms and now 15 years in teaching, research and leadership in physical education and sport pedagogy, curriculum, and school leadership at Flinders University, Shane also brings extensive experience in not-for-profit organisation board roles and sport coaching to his role. Shane has worked with Cricket Australia, the National Rugby League (NRL), Tennis Australia, the Australian Football League (AFL), the South Australian Football League (SANFL), the South Australian Institute for Sport (SASI), the South Australian Education Department and many more high impact initiatives.

**Associate Professor Shane Pill**
College of Education, Psychology and Social Work
Bachelor of Business (Sports Management)

Sport management is a broad curriculum, mixing enterprise skills with finance, marketing and digital leadership. This degree aims to provide students with the knowledge and competencies related to a broad range of business management practices in sport. It will provide students with the skills to work in a diverse range of sports-related organisational, business development, management and marketing roles.

- Learn from Australia’s leading academics and sports management professionals.
- Get future-ready with hands-on experience with Flinders’ sports industry work.
- Examine real-world case studies and live sports management problems.
- Build your contacts through our extensive professional network.
- Learn practical management skills to boost your employment potential.

Career opportunities
Your degree could open up a range of employment opportunities, including:
- premier league coach
- business advisor
- operations manager
- middle and senior level manager in sports organisations
- sports marketer
- sports management consultant
- community program manager
- sports researcher
- business entrepreneur in sports and recreation.

Potential employers include:
- sports clubs and organisations
- local sports clubs
- local councils.

Bachelor of Exercise Science

Study in the area where preventative health meets the fitness industry. This degree will qualify you for a career in the evolving field of exercise science. You’ll undertake study in the basic medical sciences such as human physiology, anatomy, psychology and pathology, and graduate with specialised knowledge and skills in the use of exercise.

- You’ll undertake unique topics in the fundamentals of exercise science, exercise prescription in motor control and learning, and advanced exercise science.
- You can choose from specialisations in health promotion, behavioural sciences, sports science, business or allied health, preparing you for a range of allied health postgraduate degrees.
- You’ll take on practical experience that prepares you for the workforce, including a 140-hour placement that will prepare you with skills and knowledge applicable to careers in health, sport and exercise fields.
- There are opportunities to take your studies overseas as part of your practicum.

Career opportunities
Your degree could open up a range of employment opportunities, including:
- exercise scientist
- health and injury prevention advisor
- aged care health and wellness coordinator
- health and wellness coordinator
- cardiac technician
- sport and exercise science support officer
- active living project officer.

Potential employers include:
- Bupa
- Konekt
- Health By Design
- SA Health
- NJF Wellness Centres.
Bachelor of Exercise Science/Master of Clinical Exercise Physiology

If you’re a high-achieving student, you can progress from an exercise science degree to a master’s degree through this five-year degree combination. You’ll study unique topics in the fundamentals of exercise science, exercise prescription in motor control and learning, and advanced exercise science.

Bachelor of Sport, Health and Physical Activity

This degree will see you graduate with the skills to become an effective professional in sport and physical activity careers and give you a wide knowledge base in areas including health, tourism, nutrition, disability and business. You’ll develop an understanding of the impact of sport and physical activity in the context of a healthy lifestyle and prepare yourself for a range of roles within the sports industry.

- Your studies will prepare you for a career in the sport development, sport coaching, leisure, health, sport and event management industries, and provide a pathway to further studies in physical education teaching through the Master of Teaching* courses.
- You’ll become an effective sport and physical activity professional and advocate. You can choose unique topics in high performance sports coaching, outdoor education and exercise in musculoskeletal physiology.
- There are opportunities to take your studies overseas with a student exchange program.
- You’ll develop important contacts and networks with local and national sporting clubs, associations, and health and tourism marketing organisations.

Career opportunities
Your degree could open up a range of employment opportunities, including:
- association and clubs development officer
- umpiring coordinator
- council sport and recreation officer
- PE teacher*
- sport coach
- sport development officer.

Potential employers include:
- Bicycle SA
- City of Onkaparinga
- Gray-Nicolls Sports
- Office for Recreation, Sport and Racing
- Tennis South Australia
- SANFL.

*Please note: This course does not lead to teacher registration in South Australia; however, successful completion may provide a pathway option into the Master of Teaching (2 years). Contact the University for further details.

Bachelor of Sport, Health and Physical Activity (Outdoor Education)

Prepare for a broad range of employment opportunities in outdoor leadership, sport, physical activity and health. With increasing demand for outdoor education teachers, educators and leaders, this degree will help prepare you for a career that recognises outdoor environments as a space to enhance education, health of communities and a range of sustainability outcomes.

- You’ll engage with a range of outdoor environments and become an effective professional in outdoor education, sport and physical activity.
- Learn to safely lead activities such as bushwalking, rock climbing and a range of other outdoor pursuits.
- The degree introduces you to the diversity across fields of outdoor education and recreation, sport and physical activity.
- You’ll develop contacts and networks with local and national outdoor providers, sporting clubs, associations, and health and tourism marketing organisations.
- There are opportunities to take your studies overseas with a student exchange program.
- You’ll complete an industry placement/project in final year and engage with a range of operators through Work Integrated Learning during your studies.

Career opportunities
Your degree could open up a range of employment opportunities, including:
- outdoor leader or educator
- outdoor education and physical education teacher*
- adventure or eco tourism guide
- association and clubs development officer
- umpiring coordinator
- council sport and recreation officer
- sport coach
- sport development officer.

Potential employers include:
- Office for Recreation, Sport and Racing
- schools
- tourism and adventure operators
- sporting clubs and associations
- local and state government.

*Please note: This course does not lead to teacher registration in South Australia; however, successful completion may provide a pathway option into the Master of Teaching (2 years). Contact the University for further details.
Explore your interests and unlock more career opportunities by combining degrees. Combining your degree with a qualification in another discipline will help you develop specialised abilities to stand out from the pack. Studying a combined degree at Flinders is the key to enhancing your career opportunities.

Find out about combining these qualifications:

**Bachelor of Media and Communication/Bachelor of Sport, Health and Physical Activity**
SATAC CODE 224151
Combine your sport studies with communication and professional writing.

**Bachelor of Psychological Science/Bachelor of Sport, Health and Physical Activity**
SATAC CODE 224651
Combine your sport studies with psychological science.

**Bachelor of Sport, Health and Physical Activity (Outdoor Education)/Bachelor of Business (Management)**
SATAC CODE 224111
This degree will prepare you to acquire, manage and retain employees within contemporary health organisations and other frameworks.

**Bachelor of Sport, Health and Physical Activity/Bachelor of Business (Management)**
SATAC CODE 224741
Work towards a career in the business side of sport.

For a full list of combined degree options visit flinders.edu.au/combineddegrees
Physical education major

The physical education major covers areas such as foundation studies in physical education, inclusive and adaptive practices in sport and physical education, physical activity and health, sport and physical education, exercise physiology for physical educators, sport in society, and skill acquisition and biomechanics for physical educators.

Pathways

Flinders offers a range of pathways if you want to become a physical education teacher. You can select the course that is right for you depending on the school level you’d want to teach in: early childhood, primary or secondary level.

A major in physical education can be taken in the following course:
Bachelor of Education (Secondary Health and Physical Education)

A minor in physical education can be taken in the following courses:
Bachelor of Early Childhood Education (Birth – 8)
Bachelor of Education (Primary)
Bachelor of Education (Secondary Health and Physical Education)
Work hard, play hard

Whether you want to keep in shape and maintain your training regime, or would simply like to have some fun playing sport, Flinders gives you plenty of options to train and play on campus while you study.

Flinders Sport and Fitness
Flinders Sport and Fitness provides all your fitness needs in one convenient location. Open 24 hours a day all year round, you can work out at Flinders whenever it suits you. Our facilities include a group fitness room, fully equipped cardio room, Peloton spin room, ladies-only gym, and free-weight and pin-loaded general gym.
We also offer services including a dietitian, physiotherapy, massage and personal training, and regular wellness programs such as Zumba, yoga and boot camp.

Sporting clubs
Flinders currently has 23 affiliated sporting clubs catering for a wide range of interests. Whether it be soccer, netball or martial arts, there’s a sporting club at Flinders to suit you.
By registering for a Flinders sporting club, you’ll give yourself the opportunity to meet new people and make friends while staying physically active. And being a member means you’ll be included in regular training sessions, competitions and events.

University sport
Flinders provides you with the support to represent your university at state and national levels.
Students can compete in UniSport Australia events such as the UniSport Nationals Division 1 and 2, the premier sporting events in the tertiary sector, and Indigenous Nationals. Representing your university nationally means you can compete against the best in the country across 32 different sports.
You can also represent Flinders against other South Australian universities in events such as the SA Challenge.

Delivered by Flinders University Sport and Fitness, this sports training and athletic support program supports students in the pursuit of sporting and academic excellence.

Student athletes who are successful in achieving a place in this program will have access to high-level facilities and training environments with support from highly qualified staff.
In addition, students will also have access to allied health professionals to assist with assessing and managing injuries, and assessing nutritional and dietary requirements.

Find out more flinders.edu.au/eliteathlete
“No other university in Adelaide offers a sporting degree that offers a broad range of topics that allows students to find their key areas of interest and provides a vision for their future.”

**Benjamin Drogemuller**  
Bachelor of Sport, Health and Physical Activity
Starting at Flinders

One of the world’s top universities, Flinders offers students a supportive, inclusive education in an unrivalled study environment.

Flinders is ranked in the top 2% of universities in the world*

* THE World University Rankings 2022 as a percentage of the total number of universities in the world according to the International Association of Universities
Get more out of your study

Combined degrees

Combining your degree with a qualification in another discipline will give you more expertise and expand your career prospects. Studying a combined degree at Flinders will help you stand out from the crowd. A combined degree is a combination of two Flinders bachelor degrees. As a combined degree graduate you will have two qualifications in just one to one-and-a-half years of extra study.

Our combined degree programs are designed to enhance your educational, academic and professional qualifications while minimising the cost and length of your studies. Flinders’ combined degrees allow you to undertake in-depth study in exciting combinations that aren’t usually available in single degrees.

[flinders.edu.au/combineddegrees](http://flinders.edu.au/combineddegrees)

Begin your journey to a successful career

Flinders diplomas

Flinders’ diploma-level qualifications give you the chance to experience university life without having to commit to long-term study.

The one-year Diploma in Business, Diploma in Laws, or Diploma in Arts give you the chance to explore a range of interests, and successful completion allows you to apply for up to one year of credit towards a range of bachelor degrees, and guaranteed entry to the following courses:

- Bachelor of Archaeology
- Bachelor of Arts
- Bachelor of Business
- Bachelor of Business Economics
- Bachelor of Creative Industries (Digital Media, Film and Television, Interactive Design, Theatre and Performance, Writing and Publishing, Festivals and Arts Production)
- Bachelor of Disability and Community Inclusion
- Bachelor of Disability and Developmental Education
- Bachelor of Engineering Science
- Bachelor of Information Technology
- Bachelor of International Business (Wine, Spirits and Tourism)
- Bachelor of International Relations and Political Science
- Bachelor of Law and Society
- Bachelor of Laws
- Bachelor of Laws (Honours)
- Bachelor of Laws and Legal Practice
- Bachelor of Laws and Legal Practice (Honours)
- Bachelor of Science

Standard University admission requirements apply.

[flinders.edu.au/diplomas](http://flinders.edu.au/diplomas)
Pathways to study

Whether you are a school leaver or returning to study at a later date, there are many ways to gain admission to Flinders University. Explore your options and find the entry path that’s right for you.

If you have secondary education

Year 12 Entry
Most Year 12 applicants enter university via the traditional entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled. Your selection rank is used by Flinders to assess your admission to a course and is based on your ATAR plus any adjustment factors for which you are eligible.

satac.edu.au

Guaranteed entry
If you achieve an ATAR equal to or above the published guaranteed entry selection rank (and you meet course prerequisites) you will be guaranteed a place at Flinders. We offer guaranteed entry for most courses.

Indigenous Admission Scheme
The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people, who may not have been able to gain entry to university by traditional means, with the opportunity to study at Flinders.

See page 19 for further details.

Elite Athlete Pathway
If you’ve officially represented your school or state at a national level competition, we’ll consider your school’s recommendation about your academic potential when you apply.

flinders.edu.au/study/sport/elite-athletes

Research Project B Pathway
If you have strong results in the Research Project B subject you will be considered for entry into Flinders on the basis of your Year 12 results and Research Project B performance.

flinders.edu.au/study/pathways/year-12-entry/research-project

School Recommendation Program
We may consider your school’s recommendation about your academic performance as part of your admission into Flinders.

uniTEST
If you’re in Year 12, uniTEST is available to enhance your chances of getting into Flinders. We will select students based on their Year 12 results (60% weighting toward the ATAR selection rank) and uniTEST results (40%). Flinders will also consider applicants based on their uniTEST results (100%) as a standalone entry score (subject to SACE completion and any course prerequisites or specific admissions requirements). If you take the test and don’t do well, we will only consider your highest selection rank.

flinders.edu.au/unitest

If you haven’t achieved the results you expected
If you haven’t achieved the results you expected in Year 12, there are a number of pathways to your preferred degree. You can start studying one course and move to another via internal transfer or Flinderslink.

flinders.edu.au/study/pathways/flinderslink

If you haven’t achieved the results you expected
If you haven’t achieved the results you expected in Year 12, there are a number of pathways to your preferred degree. You can start studying one course and move to another via internal transfer or Flinderslink.
If you have work and life experience

**Foundation Studies**

The Foundation Studies program has been designed to introduce you to university study in a supportive learning environment. Open to people from all backgrounds, Foundation Studies provides a pathway to gain entry to most degrees at Flinders and offers guaranteed entry into some degrees.

[flinders.edu.au/study/pathways/foundation-studies](flinders.edu.au/study/pathways/foundation-studies)

**Military Pathways**

Use your military service in the Australian Defence Force as a pathway to a Flinders University degree.

[flinders.edu.au/study/pathways/military-veterans](flinders.edu.au/study/pathways/military-veterans)

**Adult Entry**

The adult entry scheme enables people aged 18 years and over to apply to study at Flinders via the Special Tertiary Admissions Test (STAT). Applications are made via SATAC.

Alternatively, you may wish to consider an undergraduate certificate or diploma. These shorter courses allow you the opportunity to explore your interests and to progress to further study. Certificate courses are Commonwealth supported.

[flinders.edu.au/pathways](flinders.edu.au/pathways)

If you have some higher education

**Tertiary Transfer**

If you have completed at least one semester of full-time equivalent study at university, you may be able to transfer to study at Flinders University using your grade point average (GPA).

**TAFElink**

Flinders offers guaranteed entry to selected degrees for applicants who have completed a TAFE/VET certificate IV or higher-level qualification, as long as degree prerequisites are met.

[flinders.edu.au/tafe-link](flinders.edu.au/tafe-link)

**TAFE SA Dual Offers**

Flinders University together with TAFE SA offer over 45 dual offer pathways in various disciplines.
Student support

Whatever you decide to study at Flinders, we’re always here to help you succeed.

Careers & Employability Service
The Careers and Employability Service helps give you the edge in your career. CareerHub, our online employment portal, offers personalised job opportunities, career planning, programs to help you broaden your skills and experience, access to employer events and career-related resources. Whatever you are studying, CareerHub can help you find your direction and start your career.

flinders.edu.au/careers

Flinders Connect
Flinders Connect can help with everything from enrolment and fees to exams and graduation. You can also access Flinders Connect for specialist services in admissions, careers and IT help. A range of support services is also available.

flinders.edu.au/flindersconnect

Flinders Library
Our extensive library is more than a book repository. We provide a range of services such as computing and printing, document delivery and one-on-one librarian appointments for assistance with search strategies and finding resources for your assignments.

library.flinders.edu.au

Flinders Living
Flinders is the only university in Adelaide that gives you the opportunity to live on campus, and both University Hall and Deirdre Jordan Village are located within the Bedford Park campus. The wide range of social, sporting and community activities also enhances the student experience at Flinders Living.

flinders.edu.au/living

Flinders University Student Association
The Flinders University Student Association (FUSA) continues a long tradition of active student involvement and represents the rights and interests of students. FUSA manages social events, non-sporting clubs and societies, and the student publication Empire Times, and helps with academic, administrative and welfare issues.

fusa.edu.au

Health, Counselling and Disability Services
Managing your health is important. We have facilities and services available to help you look after your physical and mental health.

flinders.edu.au/hcd

Horizon Award
The Flinders Horizon Award program sits alongside your academic studies; it is an innovative program that provides further opportunities to develop your professional skills and gain new experiences and insights that will benefit you now and in your future career.

flinders.edu.au/horizon

Transition to university
Starting at university is a big step; let’s make it easier. The Student Learning Centre provides a range of services from writing and mathematics support to assistance with study and time-management skills.

students.flinders.edu.au/study-support/slc

Yungkurrinthi Student Engagement
Yungkurrinthi Student Engagement is committed to increasing Aboriginal and Torres Strait Islander student access, participation, retention and success at Flinders University. Providing a range of services and supports for Aboriginal and Torres Strait Islander students, our team of highly qualified staff is dedicated to supporting you throughout your student journey.

flinders.edu.au/study/indigenous-students
The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people, who may not have been able to gain entry to university by traditional means, with the opportunity to study at Flinders.

Are you eligible?
To be eligible for the Indigenous Admission Scheme you must be an Aboriginal or Torres Strait Islander person in accordance with the Commonwealth definition, which requires you to:

• be of Aboriginal or Torres Strait Islander descent, and
• identify as an Aboriginal or Torres Strait Islander, and
• be accepted as an Aboriginal or Torres Strait Islander in the community in which you live or have lived. You may be currently studying Year 12 or be a non-school leaver.

How to apply
1. Apply for the course you want to study through the South Australian Tertiary Admissions Centre (SATAC). You will get an application number from SATAC that you will need for your Indigenous Admission application form.
2. Complete the Indigenous Admission Scheme Application form online (flinders.edu.au/indigenoustraditionaladmissions). If you are having trouble completing an online application, you can request a paper based application via ias@flinders.edu.au or call us on 08 8201 3033.
3. An interview is part of the application process, but you will be notified about this.

Application and interview dates
First round applications close late November and second round applications close early January for semester 1. For our midyear intake to a number of courses, applications close in June.

flinders.edu.au/indigenoustraditionaladmissions

“T originally chose Flinders as they have one of the best facilities for future teachers and fantastic student engagement. Studying at Flinders has been a wonderful experience that has given me the opportunity to discover what I truly want into the future while also providing me with support in every way imaginable. Flinders and Yungkurrinthi have given me the opportunity to meet others with similar ambitions and goals as myself and find the benefit of an education in places I would never have thought to look. As a proud Indigenous woman, I want to use my degree to work in First Nation communities to help our young people make it through their high schooling experience and onto their own future aspirations.”

Emilee Pyrke
Bachelor of Arts,
Conditional entry to Master of Teaching (Secondary)
Study abroad/scholarships

Over 450 scholarships worth $2.4 million in total – ranging from $1,000 to $20,000.

Take your studies overseas

Why wait until you graduate to explore the world? Flinders’ Learn Without Borders could see you studying overseas, gaining a unique perspective and immersing yourself in a different culture, language and lifestyle. Our global study programs are designed to allow students to take their Flinders study overseas and earn academic credit toward their Flinders program. With 70+ overseas partner universities, why wait until you graduate to see the world?

flinders.edu.au/learn-without-borders

Explore Flinders scholarships

Flinders offers a generous range of scholarships for students in undergraduate courses. With over 450 available scholarships, including scholarships to students from low socio-economic backgrounds, students from rural and regional areas, and Aboriginal and Torres Strait Islander students, you may be eligible for support that will help you achieve your goals at university.

flinders.edu.au/scholarships

“I always knew I wanted to study overseas at some stage during my degree. A semester exchange gave me the chance to complete topics that weren’t available in my home university and experience life in a city that is very different to my own. Having completed a semester overseas, I now have an edge over the countless other students that are completing the same degree as me and have formed memories that will always stay with me.”

Annelise Smith
Bachelor of Business (Advanced Leadership)

“The Wyndham Richardson Scholarship Fund has been invaluable to reduce the financial pressure during studies, especially now that I am in the later years of my degree.”

Ryan Rowston
Bachelor of Computer Science
Wyndham Richardson Scholarship Fund recipient

When can I start?

Flinders offers two admissions cycles each year for undergraduate degrees.

Semester 1 – March start
Applications open in August for commencement the following year.

Semester 2* – July start
Mid-year applications open in August for commencement in July the following year.
* Not all degrees are offered for semester 2.

Key dates
Flinders Open Days: August 2022
Semester 1 2023 start date: 27 February 2023
Semester 1 Orientation week: 20 February 2023
Semester 2 2023 start date: 24 July 2023
Semester 2 Orientation week: 24 July 2023

Fees and charges
Your course fees – Commonwealth support
All our courses list indicative fees, but as an undergraduate student your course is Commonwealth supported provided you’re an eligible Australian citizen, New Zealand citizen or permanent resident.
Your course being Commonwealth supported means that your course fees are shared between the Australian government and you – with your portion being the student contribution amount.

HECS-HELP loan
You won’t have to pay your fees up-front if you’re an Australian citizen or holder of a permanent humanitarian visa. You can get a HECS-HELP loan for your student contribution portion of your uni fees. Find out more about costs to plan for while you’re at uni at flinders.edu.au/fees
**Glossary**

There are many terms used within a university that may be unfamiliar or confusing. Below are a few terms that may need explanation.

**Admission pathway**
Any one of the options available to a prospective higher education student that will enable them to meet the entry requirements of their chosen courses.

**ATAR**
The Australian Tertiary Admission Rank (ATAR) is a ranking from 30 (lowest) to 99.95 (highest) agreed by COAG as a nationally equivalent measure of a person’s relative academic ranking within their complete age cohort in the year they graduated from senior secondary school.

**Adjustment factors**
Often referred to previously as ‘bonus points’, these are additional points that may be used in combination with an applicant’s ATAR to derive a person’s course selection rank.

**Defer**
Delaying the start of a course of study by one year (commencing students only). If you have already enrolled, then you need to withdraw from topics before you can defer.

**Guaranteed entry selection rank**
Achieve a selection rank equal to or above the published guaranteed entry selection rank and you’ll be guaranteed a place at Flinders.

**Major**
A sequence of topics required to be taken as defined in your course rule, normally across all years of a course.

**Minor**
A sequence of topics required to be taken as defined in your course rule, generally as part of a major.

**Offer round/s**
Refers to the series of dates on which offers of higher education places are issued to applicants throughout the year, whether through a tertiary admission centre or directly by a higher education provider.

**Selection rank**
The ranking that tertiary admission centres and most universities actually use to assess admission to a course. A person’s course selection rank can include their ATAR, any adjustments they are eligible for, such as equity or subject adjustments, other contributions calculated on the basis of work experience or previous non-secondary study, portfolio assessments, results of the Special Tertiary Admissions Test, other supplementary tests, etc.

Flinders’ huge main campus features an award-winning hub and plaza, with retail, food outlets and a state-of-the-art sport and fitness centre. Take a virtual tour of Flinders University and explore our amazing locations. It’s the next best thing to being here!
