Welcome to Flinders

We welcome applicants from all backgrounds and we are proud of our long history of supporting adult learners. In fact, half of all students at Flinders are classed as adult entry students.

The Flinders Experience

Every day at Flinders University there’s room for ideas to grow. Our underlying ethos is a student-centred experience. Plugged into industry trends, professional placements and practical experiences, our teaching is designed to take you from learning to earning.

University Life

Returning to study, or commencing studies later in life, is a big decision. The first few weeks involve negotiating new routines and finding a balance between study and other commitments. Flinders University assists all of our students with their transition to university.

All Flinders students have access to a range of student support services including:

- the Academic Preparation Program, which covers topics such as study skills
- a skills development program for first year students
- career advice, mentoring, and vacation and graduate employment for students
- a range of additional programs to assist our students to further develop the skills that employers seek in graduates
- a health and counselling service
- disability support via a dedicated Disability Liaison Officer to assist when required
- scholarships, student loans and financial assistance

There are multiple entry pathways into Flinders University

Whether you’ve had a gap year, studied at TAFE, or want to advance or change your career, Flinders provides multiple pathways for you to gain entry to your preferred degree.

We offer a range of flexible delivery options for our courses, so you can work your study around other commitments.

Special Tertiary Admissions Test (STAT)

Special Tertiary Admissions Test (STAT) is one simple option that could help you achieve your goal of commencing a university degree sooner.

Eligibility

To be eligible to compete in the special entry sub-quota using the STAT:
• you must be aged 18 or over before 1 February for Semester 1 entry or 1 July for Semester 2 entry, and
• if you have studied at a higher education level in the last two years, you must not have accumulated more than the equivalent of a total of two full-time years of higher education study, or
• if you have studied at higher education level and you have accumulated more than the equivalent of a total of two full-time years of higher education study, at least two full academic years must have passed since your last enrolment in higher education study.

What to expect

The STAT is designed to assess a range of abilities and competencies considered important for successful university study. The test does not assume previous knowledge or expertise in specific subject areas (e.g. chemistry), and all the information required to answer questions is contained in the test. STAT questions typically require candidates to:
• read and think about a passage of writing
• interpret graphical displays of information
• use mathematical relationships reason
• about tables of data

How to apply

Apply to sit the STAT via the ACER website. On completion of the STAT you will be given a score out of 200, which you can then use to apply competitively for a place within your courses of interest.

Visit the ACER website for further information, preparation materials and practice tests.

TAFE/VET Pathways

Helping you realise your goals and ambitions is important to us at Flinders University. We understand that everybody’s life path is different. This is why Flinders offers a number of pathways for applicants who have completed TAFE/VET qualifications.

Flinders University offers TAFE/VET pathways to assist prospective students who:

- Are looking to upgrade a Vocational Education & Training (VET) qualification from a Registered Training Organisation (RTO)
- Didn’t receive a competitive ATAR or STAT score for their chosen course
- Are looking for a career change
- Are interested in specialising or changing their area of study

TAFE/VET Pathways

Flinders offers entry to selected courses for applicants who have completed a TAFE/VET Certificate III or higher level qualification. To apply via this pathway, your TAFE/VET qualification does not need to be related to the degree you wish to study at Flinders. Speak to us about your competitiveness or learn more at flinders.edu.au/pathways.

Credit For TAFE/VET Studies

Holders of many TAFE/VET awards can receive credit for their studies if they are accepted into a related Flinders course. Credit means that we recognise your previous studies and do not require you to complete similar topics at university level. This means you spend less time finishing your degree and pay less fees. The amount of credit depends on the level of your TAFE/VET qualification but can be up to 54 units or half of a normal three-year degree. Search for credit at flinders.edu.au/credit.

TAFE SA Dual Offers

Flinders is making the transition from a TAFE SA qualification to university easier by providing a dual offer pathway. You now have the ability to apply for a TAFE SA Diploma or Advanced Diploma that is linked to a Flinders degree.

Successful applicants will receive an offer to both TAFE SA and Flinders. After successfully completing the TAFE qualification, students will then progress to Flinders with no further application required.

You will receive credit for your TAFE SA studies, allowing you to complete two qualifications in 3 to 5.5 years depending on the degree and pathway selected.

This pathway is available at a number of TAFE SA regional and metropolitan campuses.

Higher Education Certificates

Higher Education Certificate courses are offered on a 6-month (full-time) basis and are Commonwealth supported. You can use your Undergraduate Certificate as a stepping stone into a selection of Flinders courses. Entry can be gained through 4 different avenues.

Other Pathways

Previous Year 12 Results

Regardless of when you finished Year 12, you may still be eligible to use your results as the basis for your application to Flinders. If you are unsure about your results, contact the SACE Board of South Australia.

If you have studied at university and in all attempts you have accumulated more than the equivalent of two full-time years of study, you will not be eligible to be assessed on your Year 12 results.

Indigenous Access Scheme

The Flinders University Indigenous Access Scheme provides an alternative entry pathway for Indigenous Australians.

For entry into the scheme applicants are required to complete an application detailing why they wish to enrol in a particular course at Flinders, their career expectations, educational background, relevant work and prior learning experiences, and community involvement.

Further information can be obtained from the Office of Indigenous Strategy and Engagement (08) 8201 3033.

Military Academic Pathway Program

The Military Academic Pathway Program (MAPP) is a four-week intensive program available to military personnel. Upon successful completion students may apply to enter first year of a Flinders University degree. The program covers a wide range of academic skills development, facilitated engagement with support services, linking with peer mentoring, and academic advocacy.

“Building upon [my] experience and furthering my skills and knowledge to enable me to promote independence, choice, worth and dignity of people living with disability of all ages is extremely exciting for me.”

For Marwa Al-Bouch, a career in disability was a natural progression from childhood education and early intervention services for children with disabilities.

With previous experience in early intervention services for children with disability, Marwa Al-Bouch decided to upskill by studying the Bachelor of Disability & Developmental Education. This opened her up to a variety of opportunities in the disability sector and led her to receive acknowledgement for her hard work and determination through the Developmental Educators Australia Inc (DEAI) Prize for Academic Excellence.

Guaranteed Entry Pathways

TAFElink
Flinders offers guaranteed entry to selected Flinders courses via our TAFElink program. To qualify for the TAFElink program, you must have completed a TAFE/VET Certificate 4 or higher level qualification and meet all course prerequisites. To apply via this pathway, TAFE/VET qualification does not need to be related to your selected area of study at Flinders.

With credit offered in most Flinders courses for holders of TAFE/VET qualifications, you can reduce the time required to complete your Flinders degree.

To apply:
• Decide which degree you wish to study
• Check you meet degree prerequisites
• Check the TAFElink qualification required for Guaranteed Entry (included in this brochure)

Apply at satac.edu.au

Flinderslink
Flinders University offers guaranteed pathways to the majority of our courses via our Flinderslink program. Flinderslink is designed for applicants who:
• Did not have a competitive selection rank for their preferred course
• Are required to study prerequisite topics for their preferred course
• Wish to change the direction of their studies

If you are studying at Flinders and wish to change your course, we will offer guaranteed entry to another Flinders course providing you fulfill the following requirements:
• Achieve the required minimum grade point average (GPA)
• Satisfy any course prerequisites

The Flinderslink program allows you to apply for credit transfer to your new degree to maximise the benefit of your earlier studies.

flinders.edu.au/flinderslink

Diplomas
Flinders Diploma-level qualifications provide flexible, supported study options in a wide range of study areas. Diploma students will access a range of benefits including:
• Guaranteed entry to a range of bachelor degrees
• A pathway to most Flinders degrees (based on academic performance in the Diploma)
• Up to one year of credit toward a range of bachelor degrees
• The opportunity to experience life as a Flinders Student.

Starting University

How do I apply for university?
All students must initially apply online through SATAC at satac.edu.au
Current Flinders students can apply via the student system for a majority of courses.
Flinders offers two admissions cycles for most undergraduate courses:
• Semester 1 (start in February) Applications open in August for commencement the following year. All courses are available. The main offer round is in mid-January.
• Semester 2 (start in July) Applications open in August for commencement in July the following year. Not all courses are offered mid-year. The main offer round is in early July.

For specific application dates please refer to the SATAC website.
For more information on how to apply for the Flinders Foundation Studies Program please visit flinders.edu.au/foundation

How will I be selected?
In most instances, the number of eligible applicants exceeds the number of places available. Eligible applicants will be ranked in order of merit. The University will fill the places with the highest qualified applicants.

Your chances of being selected into a university degree may depend upon:
• The number of places available
• How many other eligible applicants there are
• How competitive your ATAR, TAFE qualification, SAT score (or other method of entry) and other criteria (if relevant) are in comparison to other eligible applicants.

How will I find out if I am offered a place at university?
Offers will be emailed via SATAC. Ensure you read your SATAC offer letter carefully and follow any instructions stated in your offer letter. If you receive an offer to your first preference, SATAC will automatically accept this on your behalf, but please ensure you follow any enrolment instructions in your offer letter or your offer will lapse. Offers to all other preferences must be responded to via your SATAC application portal.

How do I order my preferences?
• Check that you are eligible for the courses you list.
• Do you have the prerequisite subjects or assumed knowledge, if required?
• Will you meet any other selection requirements?

You may enter up to six preferences that you would like to study. You should list these in order, with the degree you would like to study most as your first preference.

If you cannot be offered a place in your first preference, you will then be considered for your second preference and so on.

It is important to consider a back up plan. Ensure you think about alternative entry pathways for the course that you want to study, as Flinders offers a number of pathway courses that can allow you to gain entry into the degree of your choice.

flinders.edu.au/pathways

How do I change my course once at university?
You can change your course once at university by applying for an internal transfer, or reapplying via SATAC. Speak to university staff or visit our website for advice about changing your course.

flinders.edu.au/internaltransfer

How do I find out about scholarships?
We offer a wide selection of scholarships. Some are for high academic achievers, some are for students in financial need, and other scholarships are given on the basis of particular criteria. They range in value from a few hundred dollars to many thousands, and may also range from a single payment to ongoing support for the duration of your degree.

Some scholarships consider students automatically when they apply for admission to the University, while other scholarships require a separate application. Application dates may vary. We encourage you to apply for any scholarships for which you are eligible.

Visit the scholarships website to explore the range of scholarships available and how you apply.

flinders.edu.au/scholarships

What does it cost to study at university?
Students who are Australian Citizens, or New Zealand Special Category Visa (SVC) holders who meet long-term residency requirements, or holders of Permanent Humanitarian Visas, are eligible for a Higher Education Contribution Scheme (HECS-HELP) loan, and do not have to pay their student contribution amount upfront. This means you pay nothing towards your course fees while you study, and then pay back your student contribution amount in small instalments when you are working.

However, students can choose to pay their student contribution amount upfront. International students pay the full cost of their tuition and are not able to defer this payment.

Full details of the HECS-HELP scheme eligibility requirements and repayment options are available at the Study Assist website, studyassist.gov.au.

Other costs that students need to plan for may include student services and amenities fees, books, equipment, internet costs, possible field trips, and the cost of accommodation, transport and general living expenses.
