

ELITE ATHLETES ADMISSION SCHEME APPLICATION FORM

At Flinders, we're committed to supporting Australia's elite athletes to achieve academic excellence while also pursuing a sporting career.

Flinders recognises that your performance in the final years of secondary education may have been affected by sporting commitments and your academic results may not be a true indicator of your ability to succeed at university.

Our dedicated Elite Athletes Admissions Scheme provides a pathway to university study for elite sportspeople. If you've officially represented your school or state at a national level competition, we'll consider your school's recommendation about your academic potential when you apply. The pathway is available for a wide range of Flinders courses.

This pathway allows you to apply for entry to many courses offered at Flinders. Check out the list of eligible courses at www.flinders.edu.au/study/sport/elite-athletes

Some Flinders courses have prerequisite entry requirements. You will need to satisfy these requirements as part of the admission process.
